**ADDRESS BY HIS EXCELLENCY, THE EXECUTIVE GOVERNOR OF SOKOTO STATE,
RT. HON. AMINU WAZIRI TAMBOWAL, CFR (MUTAWALLEN SAKKWATO) ON THE
OCCASION OF THE PRESENTATION OF THE YEAR 2016 BUDGET TO THE STATE
HOUSE OF ASSEMBLY ON WEDNESDAY, 30TH DECEMBER, 2015.**

A'uzu Billahi Minas Shaidanir Rajeem
Bismillahi Rahamanir Raheem,
The Honourable Speaker,
The Deputy Speaker,
Other Principal Officers,
Honourable Members,
Distinguished Ladies and Gentlemen;
Assalamu Alaikum

1.0 All praises are due to Allah, the Lord of the Universe and the only perfect Planner, who determines all that transpires in the heavens and earth. We thank Him most profoundly for His Enormous Blessings and Guidance in all our affairs. We extol His worthy attributes and cherish His blessed endowments and indeed His will, in making us to preside over the affairs of our people not because of any of our special talent or superiority but because of what passes under His Divine scheme. We accept the call to duty with humility and absolute trust in His Divine will and infallibility. He certainly gives power to whom He wills and takes it away from whom He wills. There is no power and no wisdom, whatsoever, except from Him.

1.2 Mr. Speaker, Deputy Speaker, Principal Officers, Hon Members, fellow citizens of Sokoto State, it is my honour and pleasure to present the 2016 Budget proposals for the consideration of the Honourable House of Assembly. It is indeed a unique and historic presentation, in all sense of the words for it marks the beginning of a new political dispensation in the State in particular and the country in general. A beginning of a new era which was brought about by unprecedented struggles of the citizenry; citizens from all walks of life who shared considerable consensus on the need to effect positive change in

our beloved fatherland and thereafter made immense sacrifices in the realisation of the goal. The struggle was certainly not by the bullet but by the ballot, but it was undoubtedly, fierce, challenging and demanding in terms of sacrifice and the commitment required for the ultimate victory. Alhamdulillah, the APC-led Government is steering the ship of the nation; and is steering the ship of Sokoto State at this material time.

1.3 The 2015 electioneering campaign had exposed all of us to the real needs of our citizens, which we have already articulated in our ACTION PLAN in order to address them. Today's event is therefore part of the strategy of meeting the needs and aspirations of the people whom we are collectively representing. This year's budget proposal is the first comprehensive budget proposal presented by this administration to the legislative arm of Government in the State. Comprehensive approach is articulated to enable this administration translate its conceived programmes of developing our State into concrete reality through implementation of its programmes and policies. The year 2016 budget has, in addition to capacity building and human empowerment, come-up with a comprehensive strategy of providing the much-desired infrastructure for the overall development of the State.

1.4 This budget proposal is therefore the instrument upon which we shall use to continue to build our State for it to become a more viable entity economically and industrially. By the will of Allah, we intend to carve an enviable niche for ourselves in the realm of development within the country and even internationally because we have all the requisite potentials, both human and natural to achieve this goal. It is in consideration of this vision that the major policy objectives, capital projects and programmes have been assigned to be implemented within the shortest time possible.

1.5 Mr. Speaker, Distinguished Honourable Members, the 2016 Budget is to be seen in the context of the APC manifestoes and the circumstances relating to our political transition in particular and the enormous concerns that our people have over the destiny of

the Nigerian polity. Hence, this year's Budget is coming at a critical period of overwhelming expectations; a period of considerable hopes that the new leadership will transform the nation to greater heights. We share considerably from this inspiration and in our own context at the State level, we also have the zeal and commitment to face the challenge of leadership and to Insha Allahu justify the confidence reposed in us by the electorate.

2.0 THE YEAR 2015 BUDGET

2.1 Mr. Speaker, Hon. Members, Fellow Citizens, considerable consultations were made with all relevant stakeholders before this Budget proposals is tendered today for the consideration of the Honourable House. The focus is essentially on the attainment of the citizenry's aspirations within the limits of available resources. As Honourable Members may be aware, in the outgoing year; we inherited a Budget of N112,541,452,000.00. Accordingly, we are walking along the perspective of the inherited budget. In this regard, and for what remains in the outgoing year, the new administration has mapped out strategies required in constructing the administrative framework for effective governance.

2.2 The compelling need to ensure the completion of numerous on-going projects inherited and address issues of development in all ramifications must in essence demand that we adopt evaluation and review techniques that will enable us forge ahead. For this reason, since the inauguration of our administration in May, 2015, we have been working considerably to make proper appraisal of the policies, programmes and projects of the previous administration so as to align them with realities of our time. However, we have full conviction that continuity is a precious jewel of democratic governance and as such efforts have been made to ensure that the cardinal objectives of the inherited budget were upheld. As we are also fully aware, the outgoing year has been of considerable economic challenges. The dwindling resources owing to falling oil prices and the global recession must obviously require a paradigm shift in our approach to economic matters and financial management.

4.0 OUR COMMITMENT TO EDUCATION

4.1 As you are all aware, this administration has declared a state of emergency in the education sector of the State. Many have asked why we have to introduce such an extreme measure to tackle this problem. My answer to them is simple: We have a lot to gain by addressing the challenges of the sector headlong. It is our firm conviction that when the people are educated, they'd definitely be better prepared to be self-sufficient. An economically independent society is the stepping-stone to combined productivity that leads to an economic growth of the nation as a whole. For example, statistics reveal that if the mothers are educated, chances are that child mortality rates reduce by less than half. In fact, this is a reason why urban, educated women have healthier children almost free of diseases. In today's competitive world education is necessity for man after food, clothing, and shelter. Education not only ensures that we will guarantee a productive future for our children, it promotes good habits, values and awareness. Education is the only fundamental way by which a desired change and upliftment in the society can be effected.

4.2 Consequently, we all know that provision of quality education is quite demanding. So declaring a state of emergency in the sector will enable us implement extra ordinary measures within a defined time-frame to achieve desired result. Our objective is to improve enrollment at all stages---basic, secondary and tertiary. We hope to improve quality of teachers by training and retraining, and recruitment of new ones. Any teacher whose capacity did not improve after the training will be reassigned to where his ability will be better needed within the civil service. The ultimate aim is to improve human capital capacity in the sector, eliminate inequality in access and radically improve numeracy and literacy.

Let me announce here that beginning next year, we will introduce a School Feeding Programme in all public Primary and Secondary Schools. The aim is to enhance enrolment and retention figures while delivering quality education for our children.

4.3 Furthermore, having taken into consideration, the significance of this sector in our desire to attain a meaningful development, we have decided to allocate education the highest share of 27.82% in the 2016 budget. This approach, I believe, will improve the standard of education in Sokoto State and set us on the path to meeting the Sustainable Millennium Development Goals (SDGs).

5.0 CONCLUSION

5.1 Mr. Speaker, Honourable Members, Fellow Citizens, we hardly need to emphasize on challenges ahead of us vis-à-vis expectations of the good people of Sokoto State. In fact, these challenges require patriotic collaboration and selflessness in propelling good governance. Your individual and collective sacrifices as worthy stakeholders in enthroning good governance is under test and history will ultimately vindicate our individual and collective outings. It is a beginning of a journey and as ordinary mortals we cannot decisively say that we can all reach the desired destination. What however is essential is our good intention and determination to do our best under all circumstances. With hard-

work, commitment and sincerity, as demanded by the oaths of our offices as well as Code of Conduct governing our responsibilities, we shall InshaAllah triumph.

5.2 The imperativeness of working as a team needs to also be appreciated by all. In this regard, I wish to seize this opportunity to appeal to all those working in the Judicial Arm of Government; our Royal Fathers, Civil Servants, Elder Statesmen, Politicians, Religious Leaders and the entire good people of Sokoto State to come forward and assist in running the affairs of the State. I wish to reiterate that I am absolutely ready to listen to all without recourse to any difference, whatsoever. Certainly, unity of purpose, fear of Allah, honesty, patriotism and selflessness are necessary ingredients that we require in building our State and bringing about the desired positive change for which we have the mandate of our people. All of us, as leaders or followers have to evince and uphold moral values and virtues in our conduct. Leaders particularly must endeavour to lead by example as exemplified in the legacies bequeathed to us by our founding fathers – Sheikh Usman Danfodio, Malam Abdullahi Gwandu, Sultan Muhammad Bello, Sardauna of Sokoto, Sir Ahmadu Bello, Alhaji Shehu Shagari and other illustrious statesmen who have served the nation selflessly, patriotically and creditably.

5.3 Finally, I wish to seek the indulgence of Mr. Speaker to lay before the Honourable House, the 2016 Sokoto State Appropriation Bill. It is my hope that Honourable Members will as expeditiously as possible work on the proposals for the overall development of Sokoto State. May Allah (SWT) continue to guide and bless us in all our endeavours, Amin.

5.4 Thank you and Wassalamu Alaikum.
