1 Summary of Performance

1.A Introduction

This Budget Performance Report for BENUE State is prepared quarterly, and issued within 4 weeks from the end of each quarter.

This report includes the original approved budget and revised/final budget appropriation for the year 2023 against each organizational unit for each of the core economic classifications of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q3, attributed to each organizational unit, as well as the cumulative expenditures for the year to date, and balances against each of the revenue and expenditure appropriations.

This Q3 report is assessed against the 2023 Original.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Accountant-General Department/ Ministry of Finance/ Benue State Planning Commission and Budget/ Benue State equivalent, and published on the Benue State website.

1.B Revenue Performance

The 2023 Benue State Budget has an approved figure of N179,750,090,123.40 comprising of FAAC receipts of N71,385,773,440.00, Independent Revenue of N29,041,482,646.56 and Other Receipts of N79,322,834,036.84 for the 2023 fiscal year.

The cumulative total of 2023 Q3 BPR for Revenue from all sources is put at **N111,483,927,896.88** which is 62.0% of the 2023 Approved Revenue Figure with Benue State Share of FAAC amounting to N89,682,947,577.70 or 125.6%, Independent Revenue of N17,738,821,286.84 or 61.1% and Other Receipts of N4,062,159,032.34 or 5.1%.

Specifically, total Q3 revenue is N51,853,596,747.14 which represents 28.85% of the total 2023 Approved Revenue Budget. The total Q3 figure is made up of State Share of FAAC of N41,503,359,501.25 or 23.09%, Independent Revenue of N8,191,109,015.98 or 4.56% and Other Receipts of N4,293,256,459.82 or 2.39% of the total revenue for Q3.

However, the total Q3 revenue of N38,986,236,485.88 is slightly lower than the Q3 revenue of N51,853,596,747.14 by 24.81%. The Q3 of the year should have realised the total sum of N 134,812,567,592.55 from all sources but have N111,483,927,896.88 with a shortfall of N23,328,639,695.67 up to Q3. The shortfall could be as a result of some MDAs with zero collections and very low capital receipts for Q3, if not for the over N23 billion from Other Federation Account as a result of Support Funds, Refunds, etc. Nevertheless, total Q3 revenue including the opening balance of N70,234,846,550.58 show N181,718,774,447.47.

1.C Recurrent Expenditure Performance

The Approved Expenditure for the 2023 Benue State Approved Budget stood at N179,750,090,123.40 comprising of N106,191,893,868.58 Recurrent Expenditure and N73,558,196,254.82 Capital Expenditure respectively. Recurrent Expenditure has N48,514,120,411.29 for Personnel Costs and N57,677,773,457.29 also for Overhead/Other Recurrent Costs.

Q3 BPR for Recurrent Expenditure from all sources show N56,117,569,418.76 or 52.8% of the total Approved Recurrent Expenditure for 2023 Budget with Personnel Costs of N27,911,764,830.77 or 57.5% and Overhead/Other Recurrent Cost of N28,205,804,587.99 or 48.9%.

Actual Q3 Recurrent Expenditure BPR shows N22,288,230,455.83 or 39.72% for total Q3 Recurrent expenditure comprising N17,519,769,978.32 or 31.22% for Personnel Cost and N4,768,460,477.51 or 8.0% for Overhead/Other Recurrent Cost.

The Q3 Recurrent Expenditure of N56,117,569,418.76 is higher than the Q2 figure of N 33,829,338,962.93 by 39.72%. This increment attributed to the coming of the present government as political activities that promotes governance are in full force. Recurrent Expenditure activities in the State has improved tremendously as salaries since May 2023 to date have been paid and overhead gradually stepping up. There are huge over-expenditures in most government agencies like Government House, Secretary to the State Government (SSG), Ministry of Finance and others who handle activities of political appointees.

The present government has paid 5 months (May-September, 2023) salaries even as all State Government accounts are still frozen. There is currently a budget amendment with the House of Assembly for the Q4 to supplement for the over-expenditures.

1.D Capital Expenditure Performance

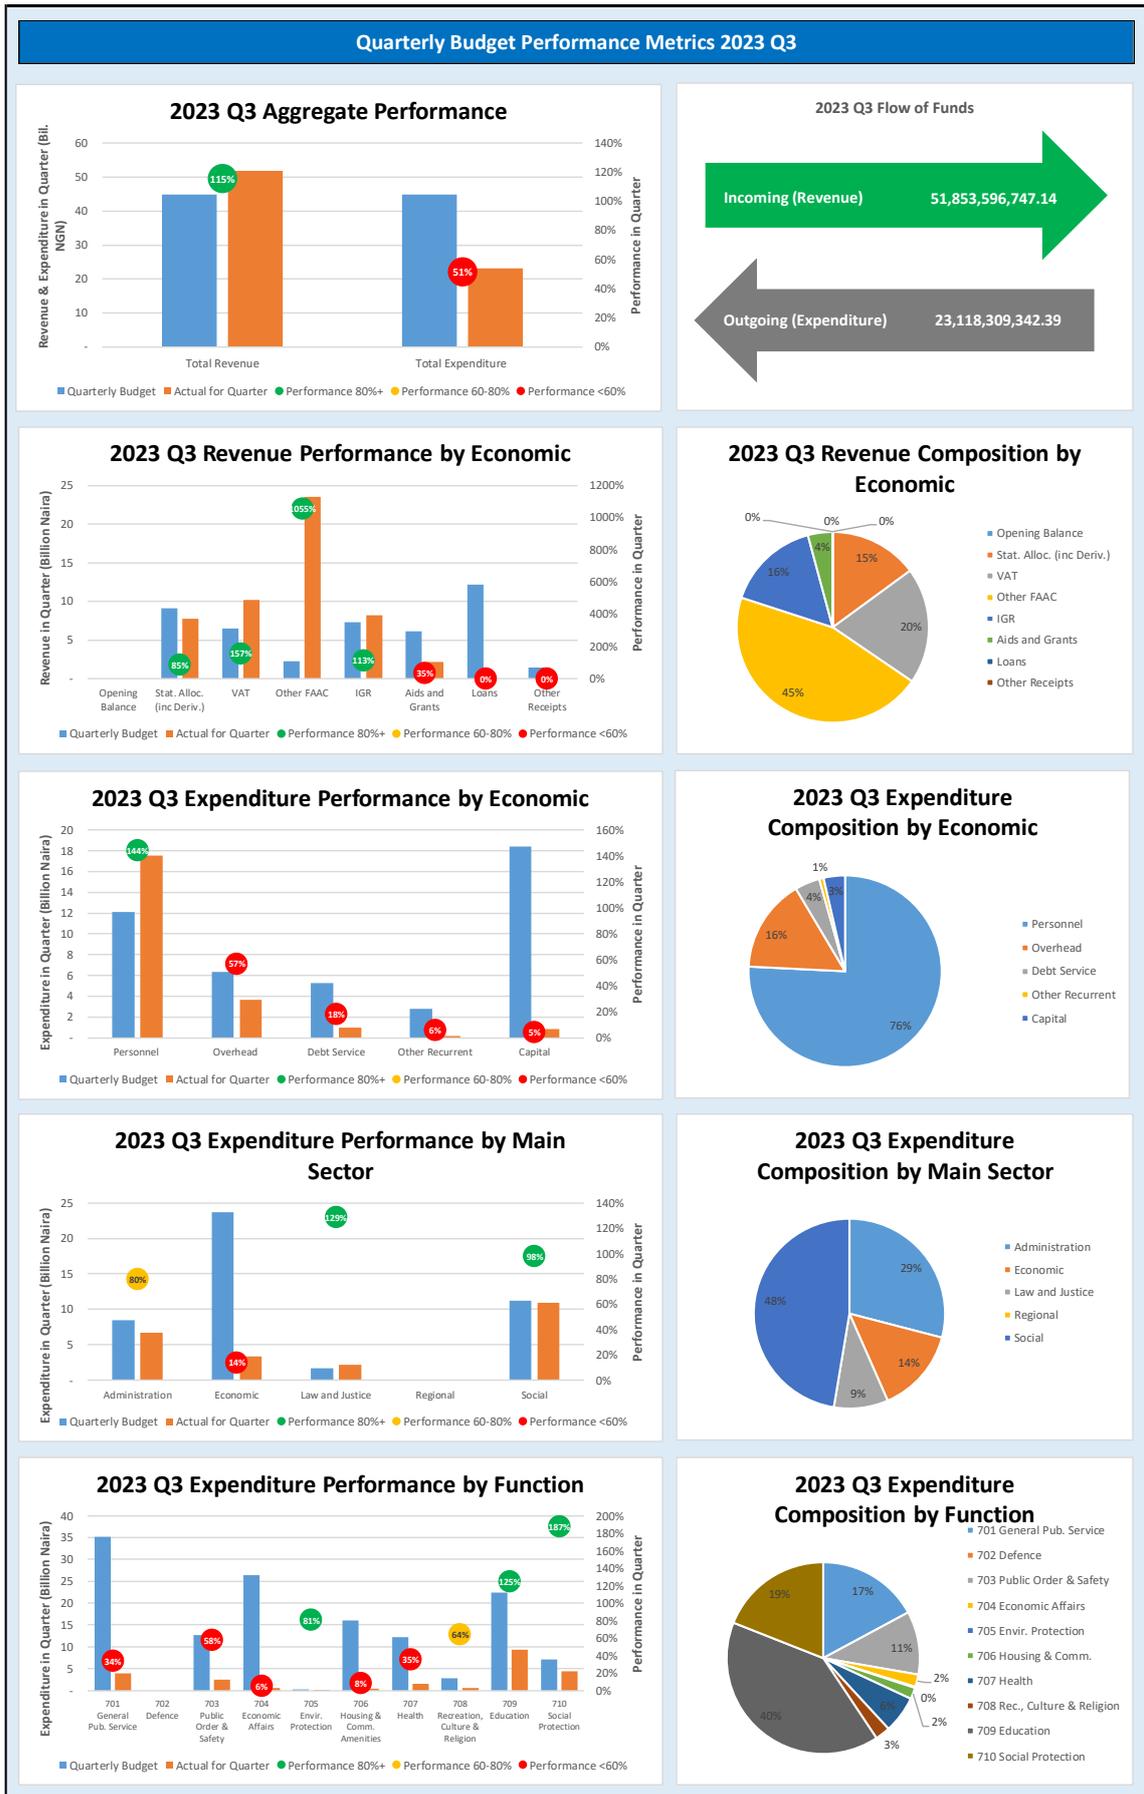

The Approved Capital Expenditure for the 2023 Benue State Approved Budget stood at N73,558,196,254.82. Quarter 3 total Budget Performance Report for Capital Expenditure amounts to N5,986,976,409.51 or 8.1% performance rate of the approved capital figure for the period under review. The 2023 BPR for Capital Expenditure looks very low still. Some of the payments made were for capital items in the 2022 budget as arrears but will be provided for in the revised budget in Quarter 3.

1.E Conclusions

The Q3 BPR for the 2023 Approved Budget of Benue State has an improved performance for both revenue and expenditure. For Revenue from all sources, the State got N111.48 Billion instead of the about N134.81 Billion expected from all sources in Q3. Recurrent Expenditure for Q3 BPR for Personnel Cost is high as salaries were regularly paid all through the quarter as the new administration/government of Rev. Fr. Dr. Alia has paid 5 months since assumption of office. Overhead Cost performance is low but major expenditures were from Administrative Sector like Government House, SSG and few from Economic Sector like Ministry of Finance etc. Government activities has been scanty as State accounts are still frozen since 29th May, 2023. Capital Expenditure performed the least with 8.1% which is clearly because new ministries were created and the bulk of the capital expenditure were for the new ministries which already had been captured in the Amended Budget with the House of Assembly awaiting passage and subsequent assent by the Governor.

Over-expenditures will be handled in the on-going budget amendment by the new government to move funds from non-performing items to over performing items and vice versa.
