# **1** Summary of Performance

# **1.A Introduction**

This Budget Performance Report for BENUE State is prepared quarterly, and issued within 4 weeks from the end of each quarter.

This report includes the original approved budget and Final/final budget appropriation for the year 2023 against each organizational unit for each of the core economic classifications of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q4, attributed to each organizational unit, as well as the cumulative expenditures for the year to date, and balances against each of the revenue and expenditure appropriations.

This Q4 report is assessed against the 2023 Original / Final / Final budget.

The core economic classifications refer to:

- Personnel Economic Sub-Account Type 21
- Overheads Economic Account Class 2202
- Capital Economic Sub-Account Type 23
- Others Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Accountant-General Department/ Ministry of Finance/ Benue State Budget and Economic Planning Commission / Benue State equivalent, and published on the Benue State website.

# **1.B Revenue Performance**

The 2023 Benue State Budget has an approved figure of N179,750,090,123.40 comprising of FAAC receipts of N91,385,773,440.00, Independent Revenue of N29,041,482,646.56 and Other Receipts of N59,322,834,036.84 for the 2023 fiscal year.

The cumulative total of 2023 Q4 BPR for Revenue from all sources is put at N160,466,694,005.86 which is 89.3% of the 2023 Approved Final Revenue Figure with Benue State Share of FAAC amounting to N130,896,518,516.29 or 143.2%, Independent Revenue of N22,660,599,726.49 or 78.0% and Other Receipts of N5,717,645,992.90 or 23.2%.

Specifically, total Q4 revenue is N48,982,766,108.98 which represents 27.25% of the total 2023 Approved Revenue Budget. The total Q4 figure is made up of State Share of FAAC of N41,213,570,938.59 or 22.93%, Independent Revenue of N8,191,109,015.98 or 4.56% and Other Receipts of N4,293,256,459.82 or 2.74% of the total revenue for Q4.

However, the total Q4 revenue of N48,982,766,108.98 is slightly lower than the Q3 revenue of N51,853,596,747.14. The Q4 of the year should have realised the total sum of N N179,750,090,123.40 from all sources but have N160,466,694,005.86 with a shortfall of N19,283,396,117.54 up to Q4. The shortfall could be as a result of some MDAs with zero collections and very low capital receipts for Q4, if not for the over N20 billion from Other Federation Account from (Infrastructural Support Funds N14BN, Electronic Money Transfer N484.94MN, Ecological Fund N132.85MN, Exchange Rate Gain N5.778BN and augmentation from Non-Oil Revenue N461.36MN), etc. Nevertheless, total Q4 revenue including the opening balance of N70,234,846,550.58 show N230,701,540,556.45.

# **1.C Recurrent Expenditure Performance**

The Approved Expenditure for the 2023 Benue State Approved Final Budget stood at N179,750,090,123.40 comprising of N108,460,478,788.18 Recurrent Expenditure and N71,289,611,335.23 Capital Expenditure respectively. Recurrent Expenditure has N48,235,706,482.38 for Personnel Costs and N60,224,772,305.79 also for Overhead/Other Recurrent Costs.

Q4 BPR for Recurrent Expenditure from all sources show N78,312,311,878.01 or 72.2% of the total Approved Recurrent Expenditure for 2023 Final Budget with Personnel Costs of N40,384,102,933.16 or 83.7% and Overhead/Other Recurrent Cost of N37,928,208,944.84 or 63.0%.

Actual Q4 Recurrent Expenditure BPR shows N22,194,742,459.24 for total Q4 Recurrent expenditure comprising N12,472,338,102.39 for Personnel Cost and N9,722,404,356.85for Overhead/Other Recurrent Cost.

The Q4 Recurrent Expenditure of N78,312,311,878.01 is higher than the Q3 figure of N56,117,569,418.76 by 28.34%. This increment attributed to the coming of the present government as political activities that promotes governance are in full force. Recurrent Expenditure activities in the State has improved tremendously as salaries since May 2023 to date have been paid and overhead disbursed appropriately. There are patches of over-expenditures in some MDAs which is as a result of the early commencement (June 2003) of the Final Budget and the political will of the government of the day to pay salaries, pension and pension arrears overhead and also embark on aggressive capital projects and others.

The present government has paid salaries from May to date even as all State Government accounts are still frozen. The Q4 BPR is against the Final Budget.

# **1.D** Capital Expenditure Performance

The Approved Capital Expenditure for the 2023 Benue State Approved Final Budget stood at N71,289,611,335.23. Quarter 4 total Budget Performance Report for Capital Expenditure amounts to N32,410,187,012.18 or 45.5% performance rate of the approved capital figure for the period under review. The 2023 BPR for Capital Expenditure looks low but impressive as over N26 Billion was expended in Q4 alone.

## **1.E Conclusions**

The Q4 BPR for the 2023 Approved Final Budget of Benue State has an improved performance for both revenue and expenditure. For Revenue from all sources, the State got N160.47 Billion instead of the N179.75 Billion expected from all sources in Q4. Recurrent Expenditure for Q4 BPR for Personnel Cost is high as salaries were regularly paid for the last 3 quarters since the new administration/government of Rev. Fr. Dr. Alia assumed office. Overhead Cost performance improved across board. Capital Expenditure performed above average as the Governor is all over the State executing projects ranging from New roads, Street Lights, Electricity, Purchase of Transformers, Generators and currently renovating the defaced State Secretariat with modern furniture and fittings. Over-expenditure in some MDAs is as a result of the reasons given before.
