## 1.A Introduction

This report which is packaged by the Ministry of Budget, Economic Planning and Statistics is the Budget appraisal for the Fourth quarter of the year. It was done in accordance with Budget of Renewed Economic Growth prepared by the administration of His Excellency Dist. Sen. Hope Uzodimma. The present Government believes strongly in transparency, openness and willingness to render Account of stewardship to the people of Imo State. Thus, the need to re-engineer and better the economic life of Imolites formed the road map for critical review of the quarterly performance of the MDAs, in line with the National Chart of Account (NCOA). In addition, careful assumptions were drawn after appraisal of the global economic trend that informs both our economic and fiscal updates for the 2024 budget.

However, before the commencement of the new budget cycle, the Ministry of Budget, Economic Planning & Statistics reviewed the previous performances, taking into cognizance the fragile crude oil Price and its dwindling revenue consequence on Naira value. The need to operate a realistic, transparency and accountable appropriation on the Budget estimate of N592,234,594,177.00 in 2024 gave rise to the Budget been titled Budget of Renewed Economic Growth.

It is encouraging that despite the numerous economic challenges inherent in the present administration, the global economic situation in the Country and Security challenges in Imo State, the Imo State Government has maintained a substantive economic stability. Hence, much has been achieved through prudent economic

management and financial prowess of the present administration ably led by His Excellency, Senator Hope Uzodimma.

I wish to thank the staff of Ministry of Budget, Economic Planning & Statistics who painstakingly put together this report (Fourth Quarter Budget Performance Report), Office of Accountant General of the State and Imo State Internal Revenue Service who honoured our request by releasing vital fiscal Statistics which enable us to present this Fourth Quarter Report for the 2024 Budgetary monitoring and evaluation, in accordance with the SABER requirement of World Bank.

This Budget Performance Report (BPR) is produced by Ministry Budget, Economic Planning & Statistics and published in the Imo State website on [www.imostate.gov.ng](http://www.imostate.gov.ng).

## 1.C Recurrent Expenditure Performance

### RECURRENT EXPENDITURE PERFORMANCE IN 4TH QUARTER

The following Subheads make up Recurrent Expenditure item.

#### 1. **PERSONNEL COST**

The budgeted Personnel Cost for 2024 Approved Budget was ₦15,295,398,346.39 only in the Fourth Quarter while the actual outflow was ₦ 8,560,271,747.15 only, representing 56% performance. This shows that the salaries and allowances of Civil Servants and Political office holders were treated as priorities.

## 2. OVERHEAD

The sum of ₦ 9,282,864,963.68 was budgeted for Overhead Costs in the Fourth quarter of the approved 2024 budget including Monthly Deductions from FAAC but the actual spent was ₦ 12,855,831,991.93 only representing 138.5% performance. This increment is attributed to the prevalent high cost of living mainly influenced by the high inflation rate triggered by instability of the foreign exchange rate.

### 1.D Capital Expenditure Performance

A whopping sum of ₦118,640,467,930.35 was earmarked for Capital Projects in 2024 approved budget for the fourth Quarter of the year. This is to provide infrastructural projects for the well-being of Imolites. However, from the available records, it was observed that a total sum of N 88,861,501,266.44 was released for Capital projects during the period under review (October-December 2024), representing 74.9% performance in the fourth Quarter.

### 1.E Conclusions

In conclusion, the 2024 Approved Budget brought up in an exceedingly difficult environment as Imo State faced serious Security challenges. The overall fourth Quarter Performance of 2024 approved Budget was adversely affected by the Global Security challenge we have witnessed within this quarter. The Crude Oil Price benchmark of USD77.96 per barrel helps in the Revenue inflow in terms of Statutory Allocation and Internally Generated Revenue (IGR).

The Security challenge hampered economic activities and frustrated revenue collection in the State. The expected fourth Quarter Revenue target was N130,583,618,363.5 but only N 113,888,327,664.00 was realized with 87.2% performance.

The Recurrent Expenditure recorded a total performance of N 21,416,103,739.08 out of which Personnel Cost recorded 56% indicating that salary was promptly paid.

In conclusion, we commend the **EXECUTIVE GOVERNOR OF IMO STATE, DISTINGUISHED SENATOR HOPE ODIDIKA UZODIMMA**, who has been able to meet the obligations to the people of Imo State, despite the harsh Global Economic Situation in the Country and Security challenge in Imo State.

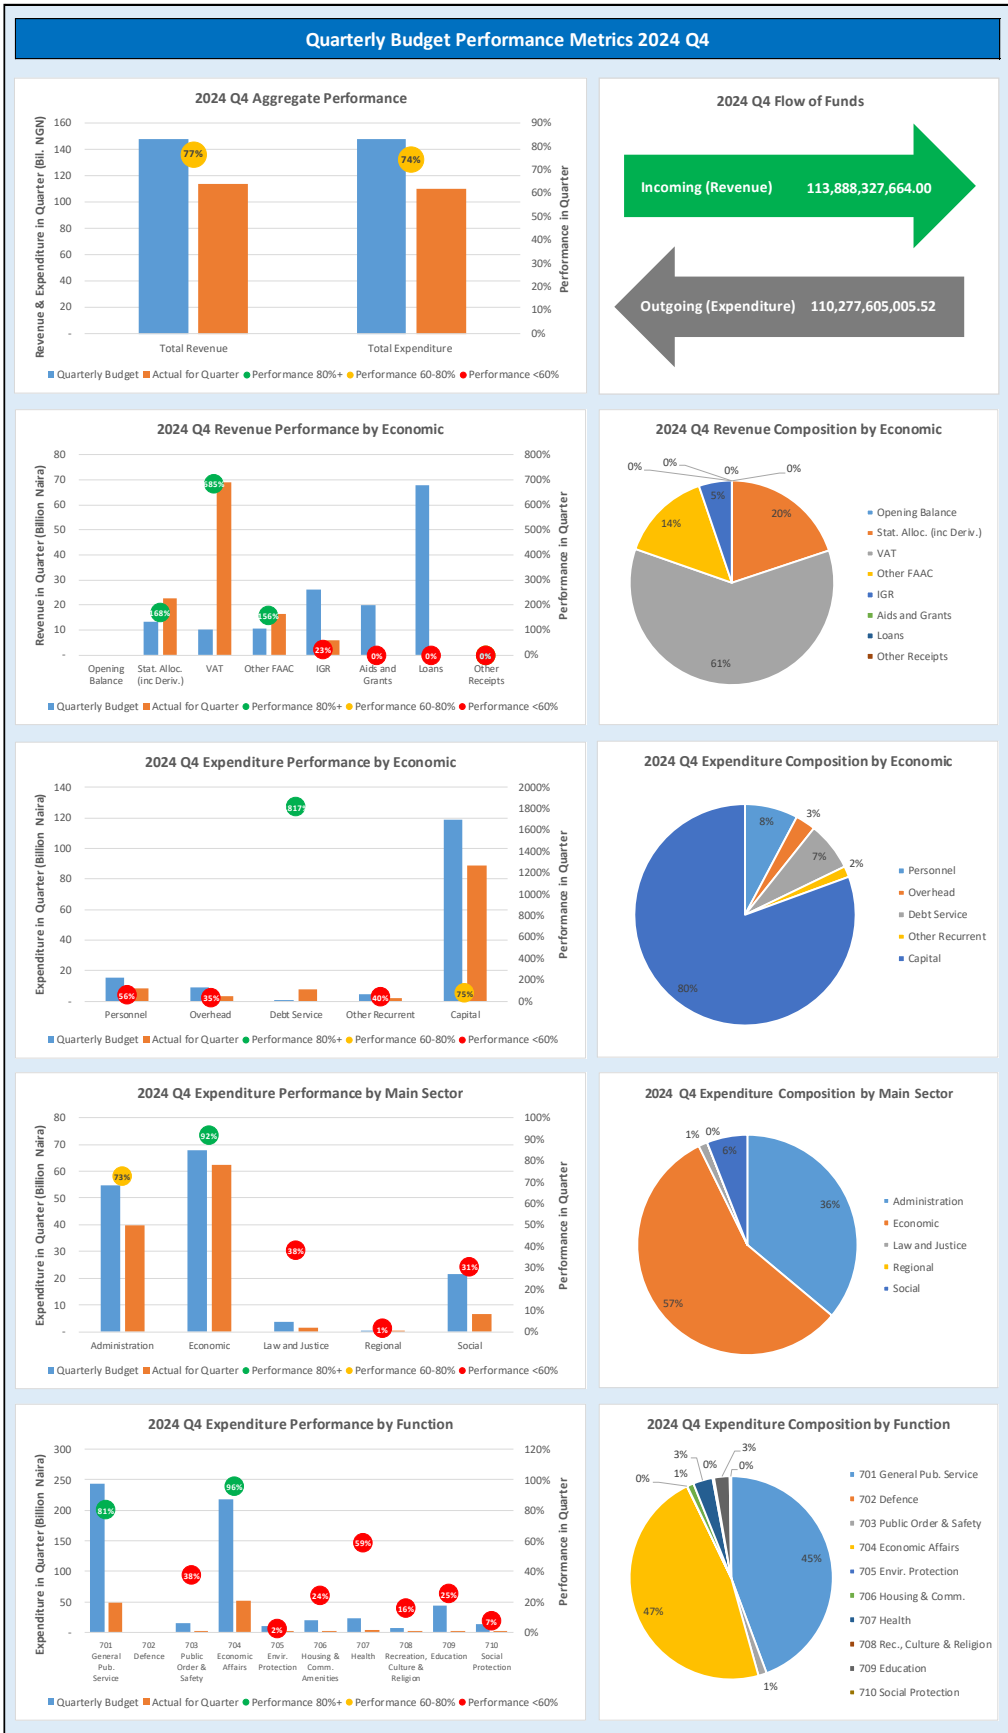

The 2024 fourth Quarter Budget analysis that is published, in compliance with World Bank SABER requirement is based on the transparency and openness of the current administration. Statistical information required to achieve this work was made possible by the cooperation of the relevant MDA's (Ministry of Finance, Accountant General's Office and Imo State Internal Revenue Service). However there are strong indications and assurances that this good work will continue because of the strong

foundation laid by this administration in conjunction with world Bank through the SABER program.
