It is pertinent to note that, in the course of implementation of the 2024 Budget some of budget provisions were over performed in the area of Revenue and Expenditure due to the uncertainty happening in the current economic situation of the world in general and Nigeria in particular. Therefore, affected Budget Provisions were formalised by the State House of Assembly during the Revised Budget.

This Budget Performance Report is produced by the Ministry of Planning and Budget in collaboration with Account General Office of the Ministry of Finance and published on the Kano State website.
