1 Summary of Performance

1.A Introduction

This is a progress Budget Performance Report of Kwara State, prepared quarterly to examine the level of success attained in the implementation of the 2024 Budget. It is issued within four weeks after the end of each quarter.

The State made a strategic amendment to the Revised Budget through a re-adjustment of the Budget by N9,107,311,899, through virements across budget lines, and a reduction of the total budget size. The reduction was to make the 2024 Final Budget more realistic when compared with the available resources. The Final Budget stands at N500,782,673,536.90.

This report shows the Final Budget appropriation for the year 2024 against each organizational unit for each of the core economic classifications of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the Q4, attributed to each organizational unit, as well as the cumulative expenditures for the year to date, and balances against each of the revenue and expenditure appropriations.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Q4 report is assessed against the 2024 Final Budget.

The Total Revenue budgeted in the 2024 Final Budget is ₦500,782,673,536.90 and is made up of:

i)	Opening Balance:	₦ 26,553,097,865
ii)	FAAC Revenue:	₦ 280,552,917,681.52
iii)	Internally Generated Revenue:	₦ 85,489,519,011.38
iv)	Capital Receipts:	₦ 108,187,138,979

The sum of ₦500,782,673,536.90 is budgeted as Total Expenditure for the year 2024 Final Budget with the breakdown as follows:

i)	Personnel Cost:	₦ 66,226,918,573.60
ii)	Overhead Cost:	₦ 76,026,981,624.30
iii)	Other Recurrent Expenditure:	₦ 16,443,930,669
iv)	Capital Expenditure:	₦ 342,084,842,670

This Budget Performance Report is produced by the Ministry of Planning and Economic Development (Budget Directorate) and published on the Kwara State government website.

1.B Revenue Performance

The total actual revenue received in the fourth quarter of the year was ₦77,694,018,652.67 which shows 62.1% performance against the quarterly estimate of ₦125,195,668,384 and 15.5% against the Final Budget of ₦500,782,673,536.90. The full-year performance as at Quarter 4 on Total Revenue was N328,754,584,157.12, being 65.6% of the Full Year budgeted amount.

From October to December year 2024, a sum of ₦49,496,856,567 was the State share of Federal Allocation representing 70.6% performance against the quarterly estimates of ₦70,138,229,420.38. For the full year, the State achieved ₦214,253,737,690 in FAAC Revenues, being 76.4% performance against the Final Budget

of ₦280,552,917,681.52. Out of the total sum of ₦49,496,856,567 received from FAAC in the fourth quarter, a sum of ₦10,601,119,906.76 was revenue received from Signature Bonus, Exchange Gain Difference ₦9,200,248,027.03, Infrastructure Support Fund contributed ₦9,000,000,000, Augmentation ₦1,714,847,796.92, Ecological Deduction Fund ₦187,593,510.35, and Non-Oil Revenue ₦1,525,817,137.34. They are grouped and classified as Other Sundry Revenue from FAAC in the Ministry of Finance. The aggregate Federal Allocation Revenue year to date was ₦214,253,737,690 (76.4%) of the full-year budget. Whilst the State Share of VAT and the State Share of Other FAAC Revenues performed reasonably well at 90% and 81% of the Final Budget, respectively, the State Share of Statutory Revenues (which is the third component of the Government Share of FAAC), performed poorly at ₦12,145,860,721, being 30.6% of the Final Budget. Note that the low level of performance on Statutory Revenue was as a result of over budgetary provision.

The Internally Generated Revenue (IGR) in the fourth quarter was ₦21,823,939,681.17 accounting for 102% performance on pro-rata basis (₦21,372,379,753) and 25.5% performance from the Final total revenue of ₦85,489,519,011, while the aggregate IGR year to date was ₦65,098,919,223.62 (76.1% of Final Budget). This increase in the level of performance was because of more revenue from Tertiary Institutions such as Kwara State Polytechnic and Kwara State University Malete. However, a significant number of MDAs underperformed on their budgeted internally generated revenue, such as the Kwara State House of Assembly; Ministry of Agriculture; Ministry of Works; Ministry of Business and Innovation; and Ministry of Environment.

In the fourth quarter of 2024, out of the quarterly estimate of ₦27,046,784,745 as capital receipts from various sources, a total sum of ₦6,373,222,404.5 was the capital receipt for the period under review. This represents 23.6% performance from the quarterly estimates and 5.9% from the total capital receipt Final Budget of ₦108,187,138,979. A total sum of ₦749,581,250 was received by Kwara State Polytechnic from the Federal Government Grant for the TETFund Programme, the sum of ₦554,286,623.5 from the World Bank Accelerating Nutrition Results in Nigeria Projects (ANRIN) loan and ₦5,057,337,889 was received from the State Action on Business Enabling Reforms (SABER) World Bank loan. The capital receipt year to date was ₦22,848,829,378.5 (21.1% of the Final Budget), and the reason for the low level of performance in Foreign Aid & Grant and International Loans was that most of the programmes are still at the elementary stage.

1.C Recurrent Expenditure Performance

The total recurrent expenditure for the fourth quarter was ₦31,715,430,792.2 representing 79.9% performance from the expected quarterly estimates of ₦39,674,457,716.72 and 20% performance against the Final Budget for recurrent expenditure of ₦158,697,830,866.90. The sum of ₦113,370,329,883.28 was the total recurrent expenditure for the full year (71.4% of the Final Budget). A total sum of ₦14,408,089,833.72 was expended on Personnel Costs in the fourth quarter, which shows 87% performance against the quarterly estimate of ₦16,556,729,643.4 and 22.8% against the Final Budget of ₦66,226,918,573.60. The full-year expenditure on Personnel Costs was ₦51,045,933,397.72, which is 77.1% of the Final Budget. The zero performance in the Personnel Cost of the Ministry of Youth Development was because the staffer of the Ministry is captured under the Kwara State Sports Commission, which is hopefully to be separated by 2025. The NHIS Contributions have not been properly taken off in the State. Only Kwara College of Health Technology, Offa has a 14.1% performance so far.

The Other Recurrent Costs (which include Overhead Costs and Public Debt Charges), in the fourth quarter was ₦17,307,340,958.48 which shows a 74.9% performance against the quarterly estimate of ₦23,117,728,073.3 and 18.7% against the Final Budget of ₦92,470,912,293.30. The full-year expenditure of ₦62,324,396,485.56 is 67.4% of the Final Budget. Despite the suspension in the deduction of Public Debt Charges from Federal Account Allocation (FAAC) such as FGN bailout bond repayment (salary bailout credit facility), CBN Excess Crude Account (ECA) loan facilities repayment etc., the increase in the Other Recurrent Costs in the fourth quarter was because of increase in the operation and maintenance costs caused by the high rate of inflation in the country.

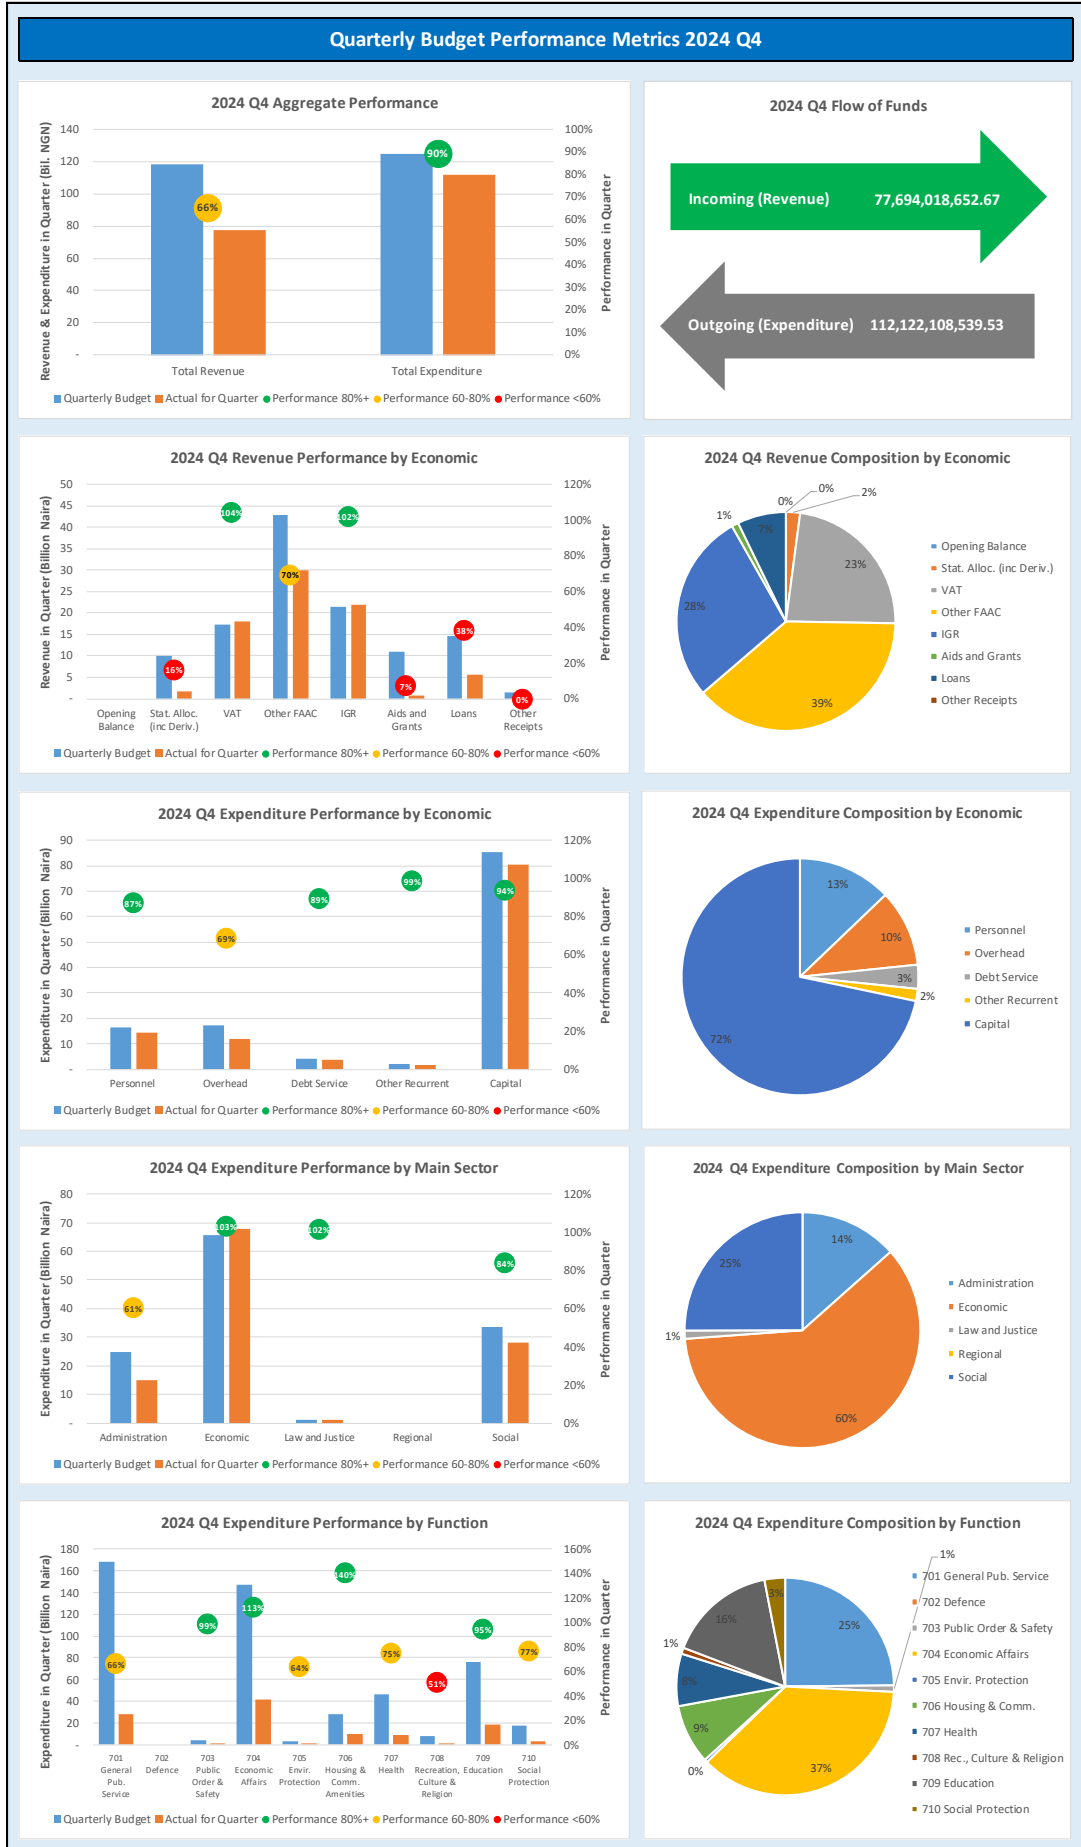

1.D Capital Expenditure Performance

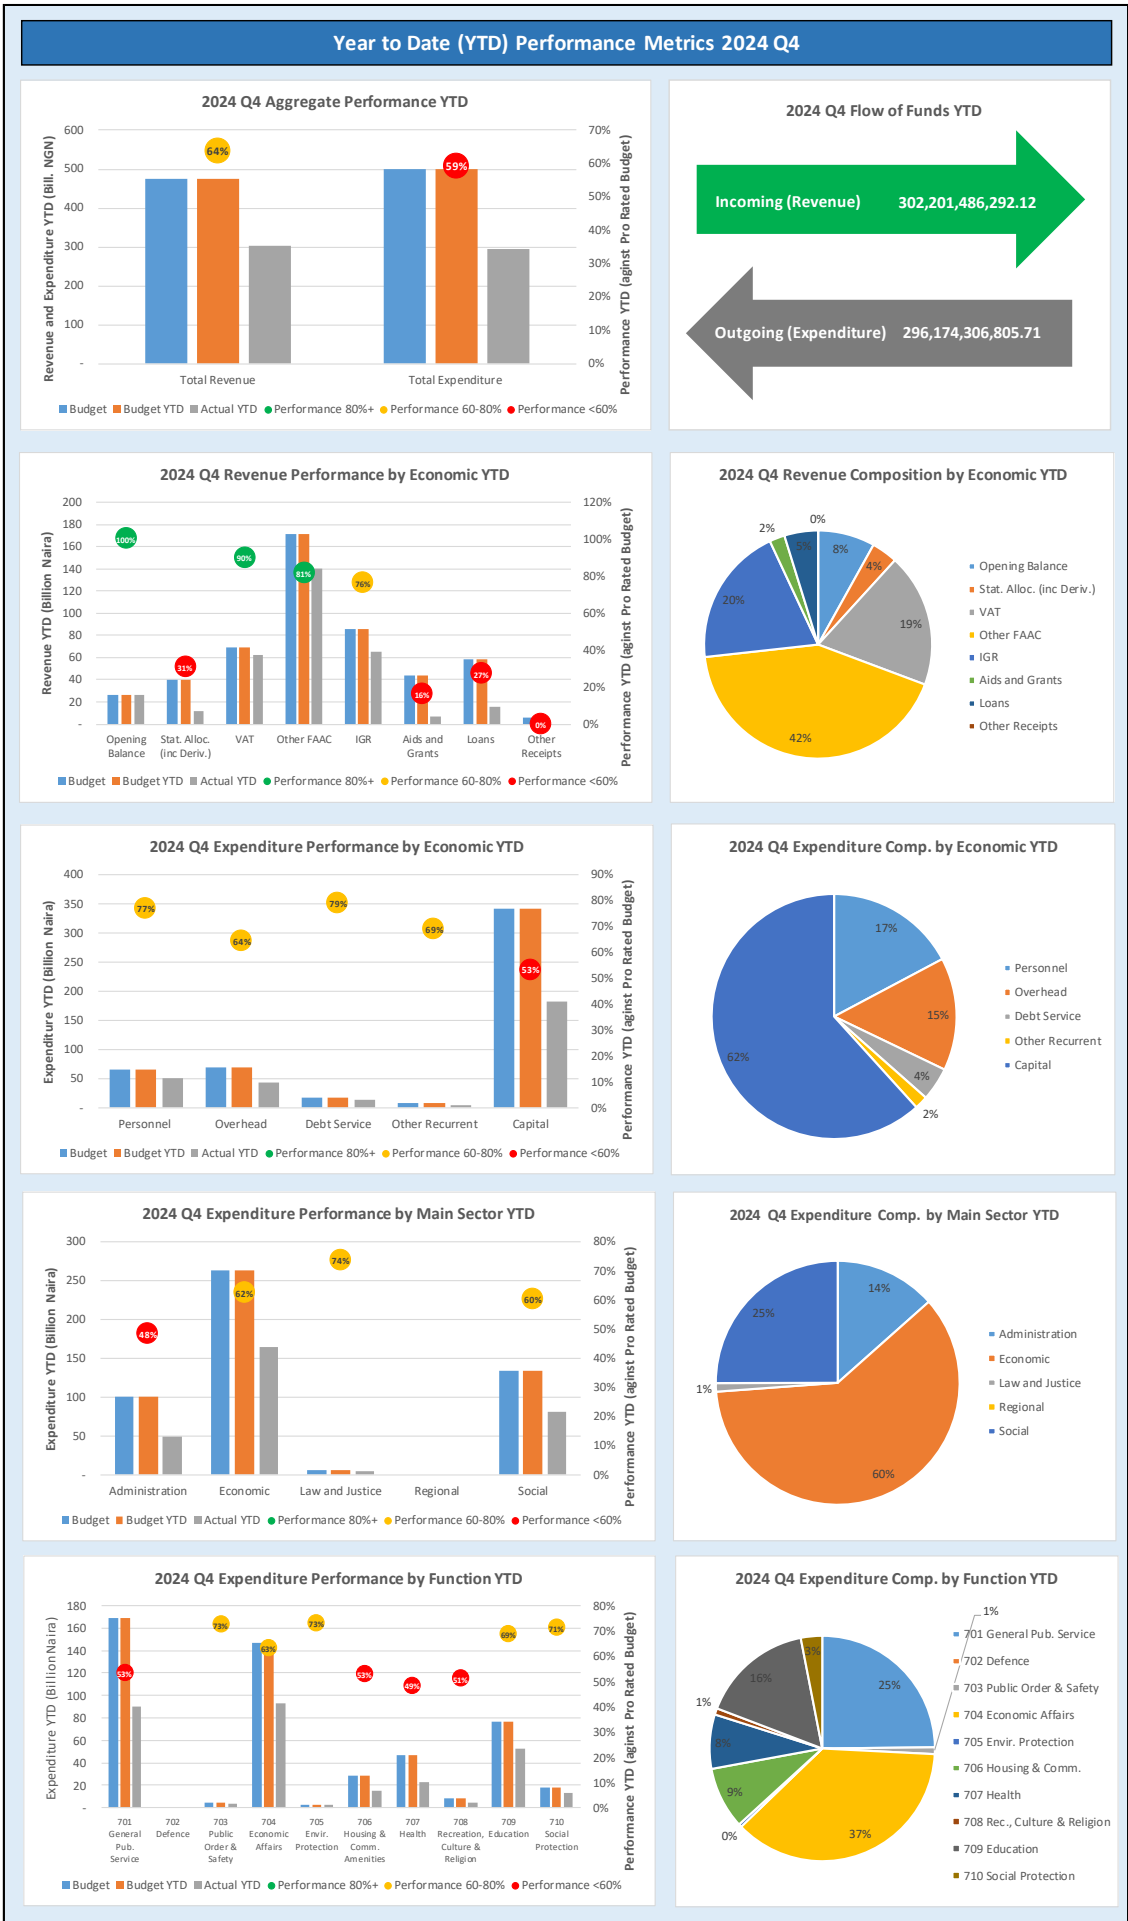

The total Capital Expenditure in the fourth quarter was ₦80,406,677,747.33 out of the quarterly estimate of ₦85,521,210,667.5. This represents 94% performance of the expected quarterly estimates and 23.5% performance against the Final Budget of ₦342,084,842,670. The sum of ₦182,803,976,922.43 was the actual capital expenditure for the year, being 53.4% of the Final Budget for Capital Expenditure. Among the projects executed in the fourth quarter include the construction of the new Kwara State Internal Revenue Service Headquarters, the construction of the Kwara Conference Center and the construction of roads across the State (including the flyover at the Unity Road) and the construction of the new Civil Service Clinic. Among the MDAs that have zero performance are the Auditor-General (State and Local), Ministry of Solid Minerals, Office of SDGs, Fiscal Responsibility Commission and Judicial Service Commission. Meanwhile, others that have low performance include the Ministry of Energy, Bureau of Statistics, Ministry of Agriculture, Office of the SSG and Ministry of Business and Innovation. The low performance was due to late approval for some of the projects.

1.E Conclusions

In conclusion, a total revenue of **₦328,754,584,157,12** was received from January to December 2024 including Capital Receipts, being **65.6%** of the Final Budget for the year. In addition, a total sum of **₦296,174,306,805.71** was total expenditure on both capital and recurrent which shows a **59.1%** performance against the Final Budget of **₦500,782,673,536.9** for the year 2024.
