# 1 Summary of Performance

## 1.A Introduction

This is a progress Budget Performance Report of Kwara State, prepared quarterly to examine the level of success attained in the implementation of the 2024 Budget. It is issued within four weeks after the end of each quarter.

Recall that the original Kwara State budget for the 2024 fiscal year was set at ₦292,741,292,132.30. As the year progressed, the State made a strategic adjustment on the 13th of August 2024, by passing a Supplementary Budget to increase the Original Budget by the sum of N217,148,603,303.60, to bring a revised budget up to the amount of N509,889,985,435.90. This adjustment was driven by several factors, including:

- The establishment of the Kwara State University Teaching Hospital, serving as a teaching facility for Kwara State University's medical students.
- The emergence of a Residents Registration Agency, registering individuals as residents of Kwara State.
- Local Government Election provisions for the conduct of successful elections to ensure democratic continuity.
- Road Rehabilitation: major roads in the State underwent reconstruction to boost connectivity and economic growth.
- Ilorin Smart City Project: an initiative aimed at enhancing urban living through technology integration.
- Food Security: initiatives targeting sustainable food production and distribution.
- Completion of the Flyover Bridge at Unity Road to ease traffic congestion.
- Automation of MDAs: Procurement of accessories for automating streamlined activities under the State Action on Business Enabling Reforms (SABER) programme.

This report shows the Supplementary Budget appropriation for the year 2024 against each organizational unit for each of the core economic classifications of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q3, attributed to each organizational unit, as well as the cumulative expenditures for the year to date, and balances against each of the revenue and expenditure appropriations.

The Total Revenue budgeted in the 2024 Supplementary Budget is ₦509,889,985,435.90 and is made up of:

i)	Opening Balance:	₦ 26,553,097,865
ii)	FAAC Revenue:	₦ 289,660,229,580.52
iii)	Internally Generated Revenue:	₦ 85,489,519,011.38
iv)	Capital Receipts:	₦ 108,187,138,979

The sum of ₦509,889,985,435.90 is budgeted as Total Expenditure for the year 2024 Supplementary Budget with the breakdown as follows:

i)	Personnel Cost:	₦ 66,296,918,573.60
ii)	Overhead Cost:	₦ 70,800,803,316.3
iii)	Other Recurrent Expenditure:	₦ 17,408,219,295
iv)	Capital Expenditure:	₦ 355,384,044,251

This Q3 report is assessed against the 2024 Approved Revised Budget.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202

- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Ministry of Planning and Economic Development (Budget Directorate) and published on the Kwara State government website.

## 1.B Revenue Performance

The total actual revenue received in the third quarter of the year was ₦72,916,844,514.45 which shows 57.2% performance against the quarterly estimate of ₦127,472,496,358.98 and 14.3% against the Supplementary Budget of ₦509,889,985,435.90.

From July to September year 2024, a sum of ₦63,639,580,637 was the State share of Federal Allocation representing 87.9% performance against the quarterly estimates of ₦72,415,057,395 and 22% performance against the total revenue budget of ₦289,660,229,580. Out of the total sum of ₦63,639,580,637 received from FAAC in the third quarter, a sum of ₦18,823,199,743 was revenue received from Signature Bonus, Infrastructure Support Fund contributed ₦10,000,000,000, Exchange Gain Difference ₦8,360,003,133, and Flood Intervention Fund ₦3,000,000,000, which were captured under Other Sundry Revenue from FAAC in the Ministry of Finance. The aggregate Federal Allocation Revenue year to date was ₦164,756,881,123, 56.9% of the full year budget.

The Internally Generated Revenue (IGR) in the third quarter was ₦8,174,971,147.45 accounting for 38.2% performance on pro-rata basis (₦21,372,379,753) and 9.6% performance from the expected total revenue of ₦85,489,519,011, while the aggregate IGR year to date was ₦43,274,979,542.45 (50.6% of total budget). The low level of performance of IGR in the third quarter was further emphasised by the fact that a substantial amount of money had been generated in the previous quarter from one-off transactions such as Religious Pilgrimage fees. Notable non-performing revenue lines include the earnings from the mass titling scheme, sales of sports players, registration of fish farmers, and the sales of cocoa seedlings, among others. The over-performance on Capital Gains Tax was due to the payment of arrears by the investors.

In the third quarter of 2024, out of the quarterly estimate of ₦27,046,784,745 as capital receipts from various sources (excluding transfer from recurrent revenue budget surplus), a total sum of ₦1,102,292,730 was the capital receipt for the period under review. This represents 4.1% performance from the quarterly estimates and 1.02% from the total capital receipt of ₦108,187,138,979. Out of the total amount of ₦1,102,292,730 received in the third quarter, a total sum of ₦758,964,670 was received by Kwara State Polytechnic from the Federal Government for the TETFund Programme. The sum of ₦298,431,795 from Accelerating Nutrition Results in Nigeria Projects (ANRIN), a World Bank International Development Association (IDA) receipt, and ₦44,896,265 from Immunization Plus and Malaria Progress by Accelerating Coverage and Transforming Services (IMPACT), were capital receipts in kind. The aggregate capital receipt year to date was ₦16,475,606,974, 15.2% of the year-to-date budget.

More Foreign Aid and Loans are expected in the subsequent quarter e.g. State Action on Business Enabling Reforms (SABER) funding from the World Bank, and the World Bank Loan Receipt on Agro-Climatic Resilience in Semi-Arid Landscape (ACReSAL Project), to make up for the current low performance year to date in that sub-account.

## 1.C Recurrent Expenditure Performance

The total recurrent expenditure for the third quarter was ₦30,216,457,792.60 representing 78.2% performance from the expected quarterly estimates of ₦38,626,485,296 and 19.6% performance against the expected Supplementary Budget expenditure of ₦154,505,941,185. The sum of ₦81,654,899,091 was total recurrent expenditure year to date (52.8% of the year-to-date budget). A total sum of ₦12,894,489,212 was expended on Personnel Costs which shows 77.8% performance against the quarterly estimate of ₦16,574,229,643 and 19.4% against the Supplementary Budget of ₦66,296,918,574. The NHIS Contribution has not yet been separated from consolidated salary which resulted in the low performance on Social

Contributions in the third quarter. Overspending on Personnel Costs by the Ministry of Water Resources and Ministry of Solid Minerals Development will be amended in the subsequent quarter by the State House of Assembly through another budget revision.

The Overhead Cost in the third quarter was ₦17,321,968,580.6 which shows a 78.5% performance against the quarterly estimate of ₦22,052,255,653 and 19.6% against the expected Supplementary Budget of ₦88,209,022,611. Despite the suspension in the deduction of Public Debt Charges in some debt-related expenditure line items from Federal Account Allocation (FAAC) such as FGN bailout bond repayment (salary bailout credit facility), CBN Excess Crude Account (ECA) loan facilities repayment etc., the increase in the Overhead Cost in the third quarter was because of increase in the operation and maintenance costs caused by the high rate of inflation in the country. The monthly fluctuation in the deduction in the Public Debt Charges by FAAC resulted in over-performance in foreign principal and interest rate in the Public Debt Charges in the third quarter which will also be amended by the State House of Assembly in the subsequent quarter.

### 1.D Capital Expenditure Performance

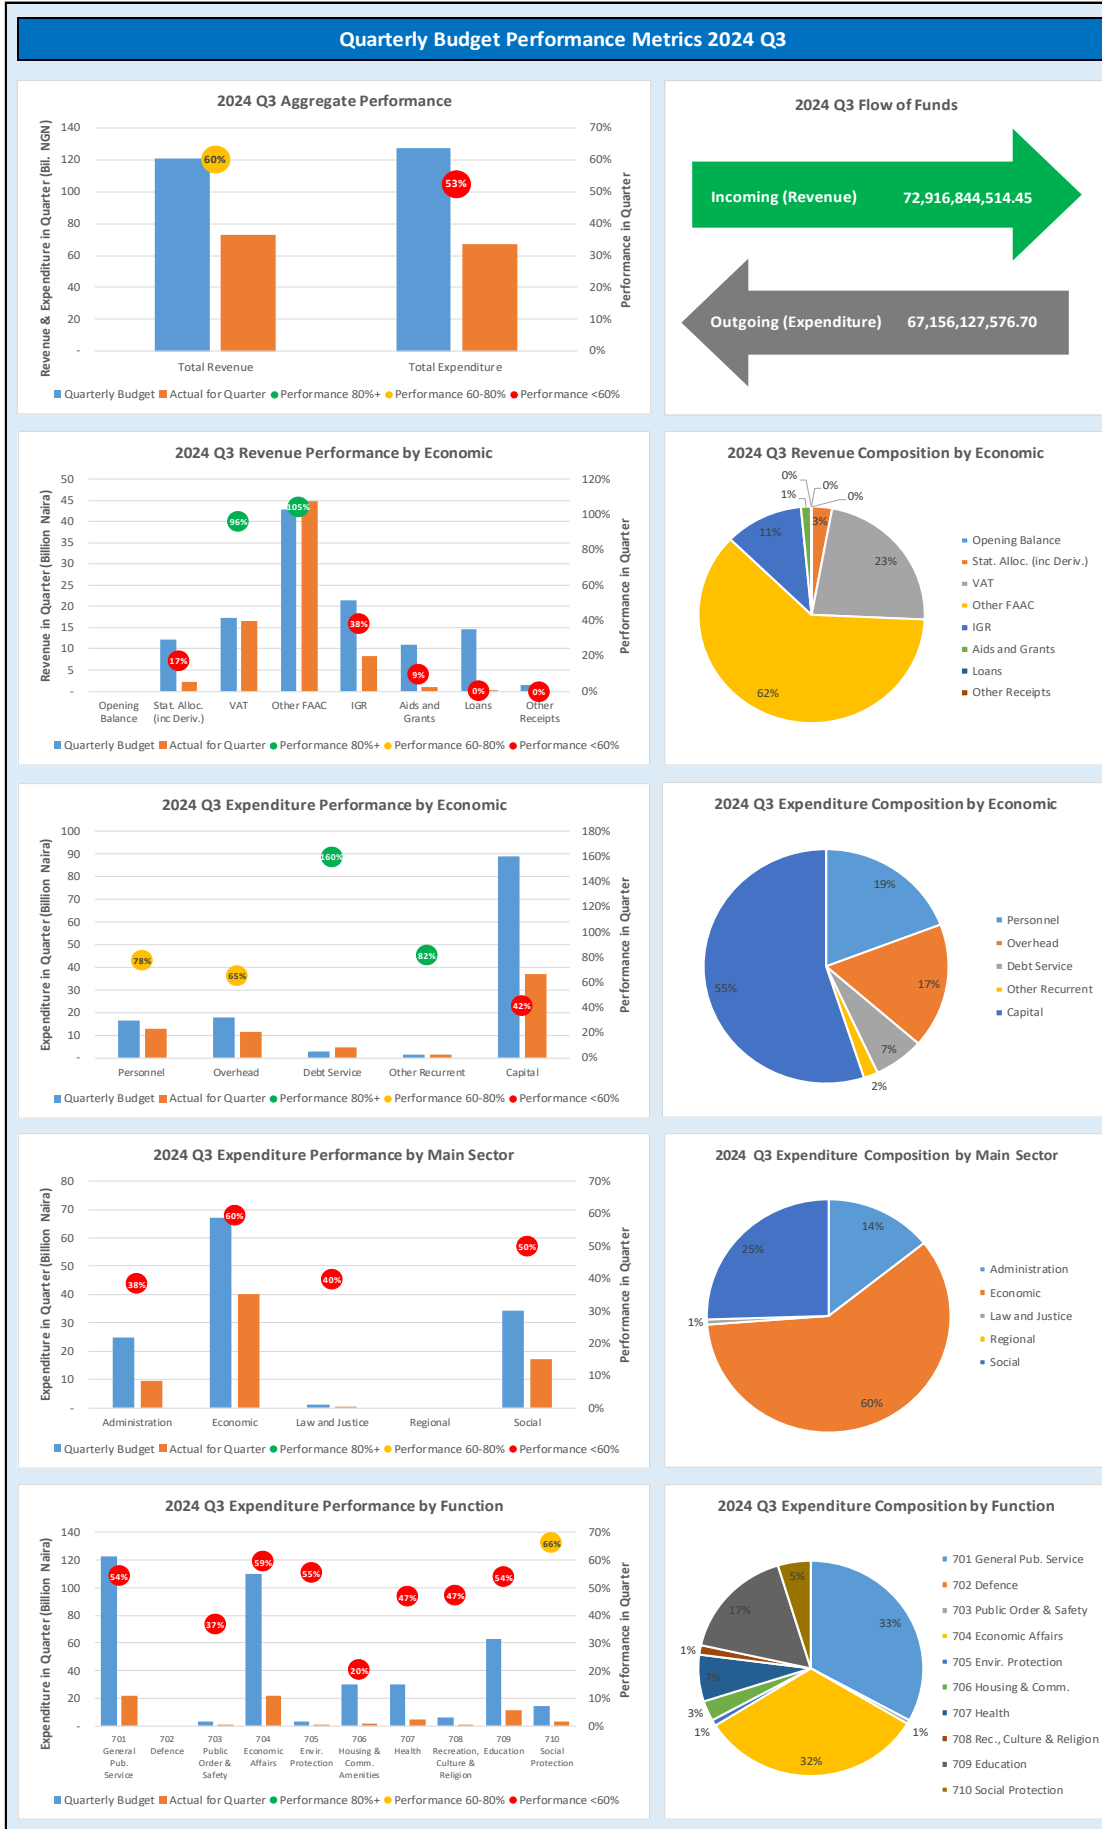

The total Capital Expenditure in the third quarter was ₦36,939,669,784 out of the quarterly estimate of ₦88,846,011,063. This represents 41.6% performance of the expected quarterly estimates and 10.4% performance against the expected Supplementary Budget of ₦355,384,044,251. The sum of ₦102,397,299,175 was actual capital expenditure year-to-date, being 28.8% of the total revised Capital Expenditure budget. Among the projects executed in the third quarter include the Construction of New Kwara State Internal Revenue Service Headquarters, Rural Access and Agricultural Marketing Projects (RAAMP), and the Construction of Roads across the State, including the ongoing construction of the flyover at the Unity Road. The 98.6% increase in the 2024 Supplementary Budget of Capital Expenditure compared to the 2024 Original Budget was because of government plans to execute more capital projects in the subsequent quarter.

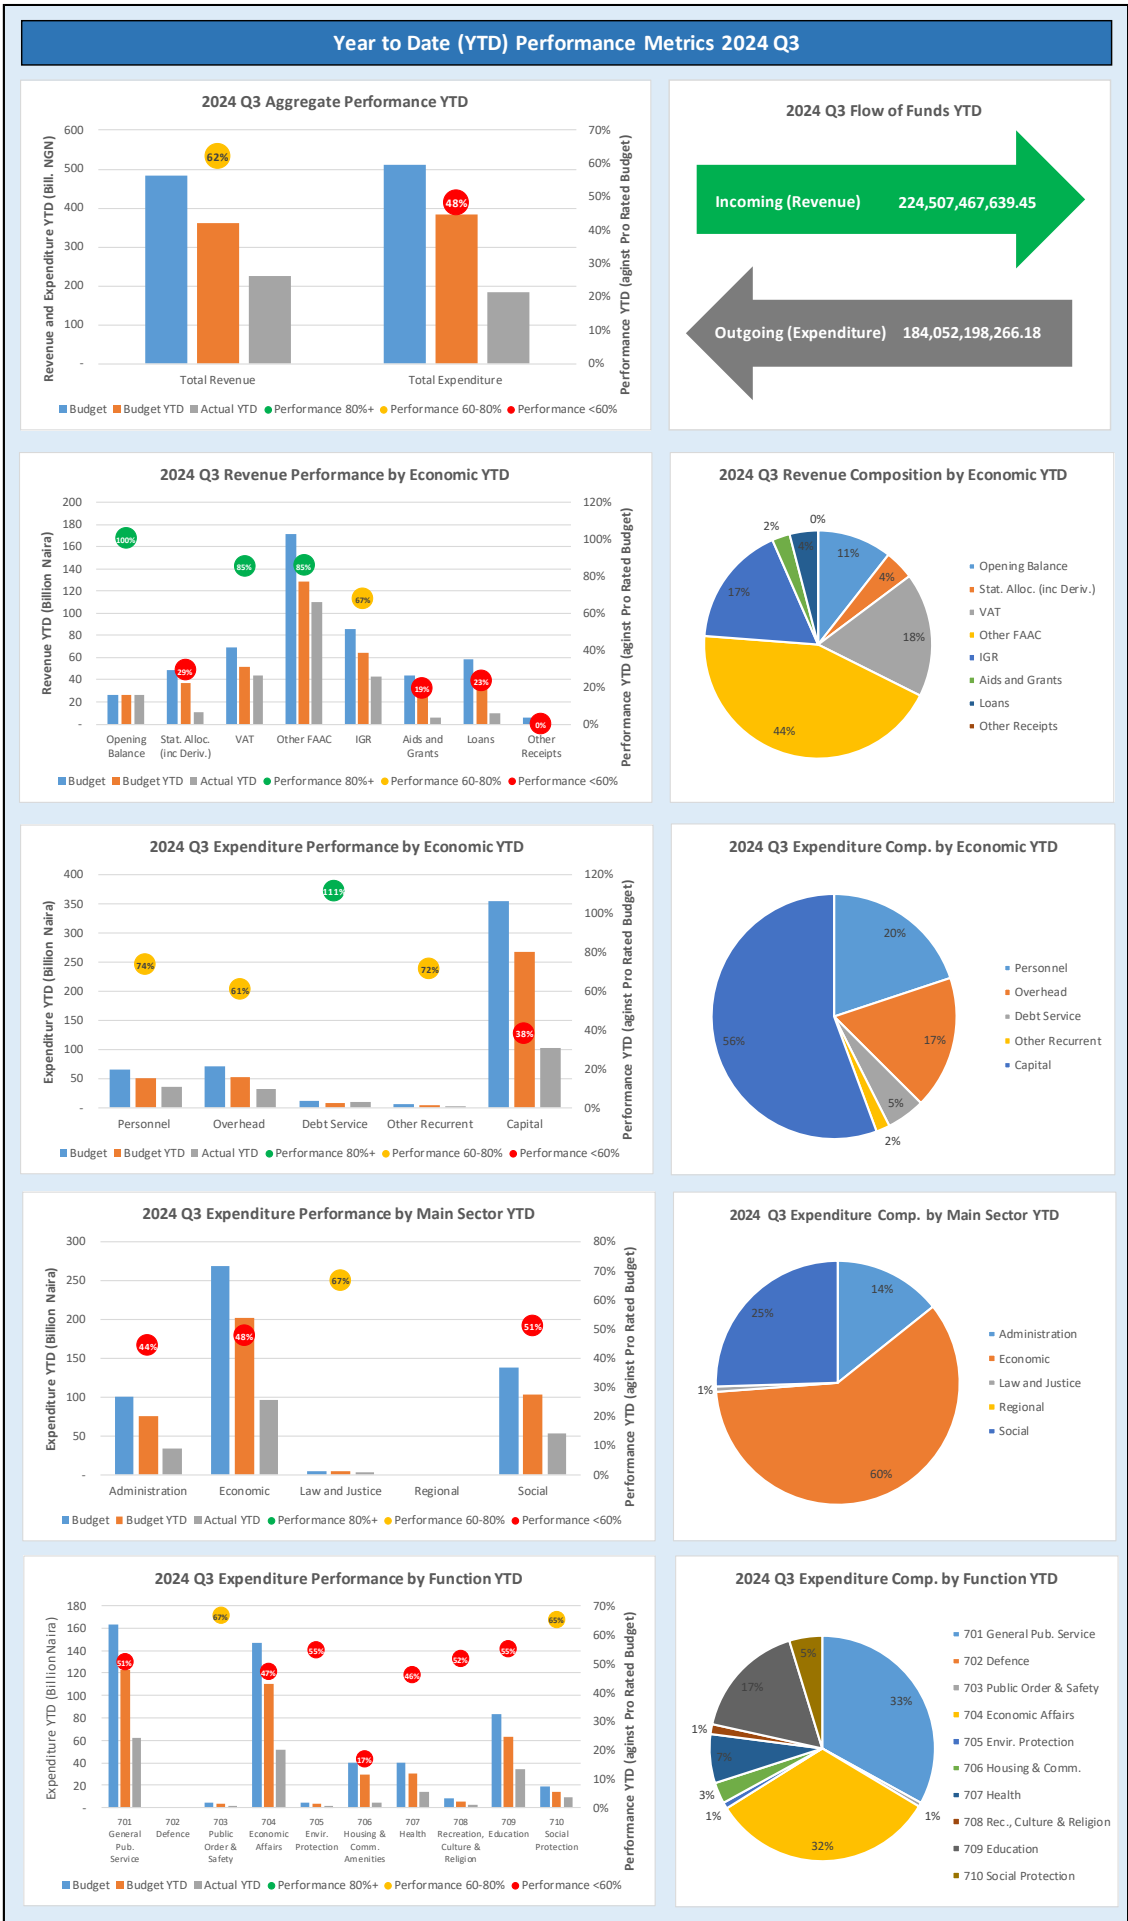

It is observed from the above analysis that there is low performance of Capital Expenditure year to date. This was due to on-going procurement activities, and we are hopeful that more capital projects will be executed before the end of the year.

### 1.E Conclusions

In conclusion, a Total Revenue of **₦251,060,565,504.45** was received from January to September 2024 including Capital Receipts, being **49.2%** of the total budget for the year. In addition, a total sum of **₦184,052,198,266** was Total Expenditure on both capital and recurrent which shows a **36.1%** performance against the Total Expenditure revised budget for 2024 of **₦509,889,985,436**.
