1 Summary of Performance

1.A Introduction

This Budget Performance Report for Niger State is prepared quarterly and issued within four weeks from the end of each quarter.

This report includes the original approved budget for the year 2023 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter 2, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

This Q2 report is assessed against the 2023 Original budget.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Account General Department/ Ministry of Finance/ Ministry of Planning and Budget/ Niger State equivalent and published on the Niger State website.

1.B Revenue Performance

I. Government Share of FAAC (Statutory Revenue):

The sum of N100, 968,724,043 was budgeted to be realized as share of FAAC, out of which the sum of ₦ 41,753,615,160.51 representing 41.4%% was realised at the end of 2nd quarter. This performance will improve as more funds are expected as a result of subsidy removal and opening of closed borders which will facilitate trade amongst nations hence more revenues would be realised. Also, with new administration already in place, activities would be back in fully which will have positive impact on revenue generation.

Independent Revenue:

The sum of ₦ 23,368,500,410.45 was budgeted, out of which ₦ 6,563,283,757.37 representing 28.1% was realised during the second quarter which is a slight increase compared to last quarter. However, with new administration already in place and new policies about to be adopted, it is expected that revenue generation will double in the next quarter. Again, the Niger State Board of Internal Revenue Service is being re-positioned for better performance.

II. Aids and Grants:

The sum of ₦5,902,679,492.24 representing 15.6% was realized out the approved estimate of ₦37,744,289,413.74. The low performance of this source could be attributed to the fact that most development partners' activities normally pick-up as from mid-year and some projects are scaling up as well as new ones coming on stream like Nigerian for Women, Girls education programme II and New Project like Adolescent Girl Initiative for Learning and Empowerment, more grants are expected to flow in the next quarter.

III. Capital Development Fund CDF (Receipts):

Capital Development Fund received a Budgetary Allocation of ₦ 81,565,676,111.69 out of which the sum of ₦7,739,667,657.81 or 9.5% was realised during the second quarter. This component witnessed an increase from less 1% as at last quarter to almost 10% and with new administration in place, it is expected that more will be realised by next quarter. This source of funding has enabled the government to implement its ongoing

projects such as construction and rehabilitation of infrastructures, Rehabilitation of Water works, Electrification work across the state amongst others.

1.C Recurrent Expenditure Performance

Total Budgeted Recurrent Expenditure of ₦ 91,381,161,775.76 garnered a total of ₦ 36,952,633,598.83 Or 40.4%. From the above total ₦ 59,781,514,882.51 was allocated to personnel cost which received the sum of ₦21,056,756,009.47 or 35.2% actuals while the remaining balance of ₦ 31, 599,646,893.25 out of the total recurrent expenditure was allocated to Other Recurrent Costs which received the total sum of ₦ 15,895,877,589.36 or 50.3% actuals. Expenses incurred under personnel cost were for payment of salaries and allowances while that of Other Recurrent were incurred to enable smooth running of Government and solve other arising issues such as security challenges.

1.D Capital Expenditure Performance

The sum of ₦ 152,266,028,203.12 was budgeted for Capital Expenditure out of which the sum of ₦ 29,377,746,840.84 or 19.3% was expended during the period under review on ongoing Projects in the areas of infrastructure, Water, Electrification and Public buildings across the state. This performance is still low but better than last quarter. However, with new administration willing to set impressive record, more is expected to be realised in the next quarter.

1.E Conclusions

With the new Administration gradually settling down and setting its priorities, we expect improved budget performance. Also with the withdrawal of subsidy, we expect increased resource inflow and palliative measures will boost economic activities thereby rejuvenating the economy.

2 Budget Reports

2.A Summary

Table 1: Budget Summary**Niger State Government 2023 Q2 Budget Performance Report - Summary**

Item	2023 Original Budget	2023 Q2 Performance	2023 Performance Year to Date (Q1-Q2)	% Performance Year to Date against 2023 Original Budget	Balance (against Original Budget)
Opening Balance	-	-	4,050,460,049.71		- 4,050,460,049.71
