1 Summary of Performance

1.A Introduction

This Budget Performance Report for Niger State is prepared quarterly and issued within four weeks from the end of each quarter.

This report includes, the approved original budget appropriation for the year 2021 (no supplementary or revised budget has been passed to date) against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q3, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations. Quarter 3 performance is assessed against the 2021 original budget. Given the trends in the implementation of 2021 Budget, the possibility of revised budget is being considered.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Account General Department/ Ministry of Finance/ Ministry of Planning and Budget/ Niger State equivalent, and published on the Niger State website.

1.B Revenue Performance

The 2021 Budget Revenue Components are made up of the following:

i. Government Share of FAAC (Statutory Revenue):

The sum of ₦95, 370,601,134.00 was budgeted out of which the sum of ₦48, 641,692,038.40 representing 51.0% was realised as at third quarter of the year. This performance even though modest is still the highest source of Revenue to the State. This is an indication that the State might not meet its target from this source, hence the need for diversification of the economy given its over-dependence on FAAC.

ii. Independent Revenue:

The sum of ₦15, 840,770,392.90 was budgeted out of which ₦13, 596,075,605.68 representing 85.8% was realised as at the end of Q3. The positive rise in revenue collection in the quarter was a result of the part payment of the long outstanding liability by the National Electricity Liability Company (NELCO) of N1.860BN to the State Government. Another contributory items were the payment of PAYEE arrears to the State by FCT and recoveries from Stamp Duty Tax etc. as a result of measures put in

place to recover outstanding revenues owed to the State by individuals and Corporate Entities. Similarly, the activities of the Taskforce Committee on Vehicular Operations have a long way in generating revenue to the State.

iii. Aids and Grants:

The sum of ₦7, 517,039,478.13 representing 55.4% was realised out of the Budgeted figure of ₦13, 574,870,141.67. The moderate performance reflect draw-down on intervention in the areas of health, education, agriculture, women empowerment and environment. These interventions are complementing Government effort in the bid to improving the lives of the people.

iv. Capital Development Fund CDF (Receipts):

Capital Development Fund received a Budgetary Allocation of ₦28, 626,380,107.80 out of which the sum of ₦10, 178,773,482.33 or 35.6% was realised as at the end of third quarter. This source of funding has contributed in bridging funding gap and has enabled the government to implement its ongoing projects such as construction and rehabilitation of township roads, renovation of health facilities, Rehabilitation of Water works, Electrification and construction and rehabilitation of rural access roads.

The Total Revenue (Including Opening Balance) Budgeted was ₦155, 176,015,747.17 out of which ₦62, 237,767,654.08 was realised representing 56.0% as at the end of Q3, hence the need for improved internally generated revenue efforts, diversification, efficient utilization of the available financial resources to ensure value for money.

1.C Recurrent Expenditure Performance

Total Budgeted Recurrent Expenditure stood at ₦82, 583,201,831.47 out of which ₦48, 293,703,702.27 or 58.48% is Personnel Cost while Other Recurrent Expenditure (Overhead Cost) stood at ₦34, 289,498,129.20 representing 41.52%.

Out of the Personnel Cost of ₦48, 293,703,702.27, ₦28, 286,238,079.07 was expended representing 58.6% on the payment of Salaries and Wages. The sum of ₦19, 838,978,907.73 representing 57.9% was expended under other recurrent cost.

On the whole, the sum of ₦48, 125,217,886.80 or 58.3% was expended on recurrent expenditure. The expenditure was to meet smooth operation of government machinery and state exigencies particularly salary payment, debt servicing (domestic and foreign) and curbing security challenges.

1.D Capital Expenditure Performance

Capital Expenditure was allocated the sum of ₦70, 829,419,944.90 or 46.17% of the entire Budget Size. The sum of ₦22, 330,391,023.38 or 31.5% was expended as at the end of third quarter on ongoing Projects in the areas of Renovation and Construction of infrastructures, provision of Water Supply, Electrification, Human Capital development and Public buildings across the state.

1.E Recommendation:

Arising from the above, the following recommendations are here by proffered:

- a. The capacity of Niger state Internal Revenue Service and other revenue generating agencies should be strengthened with modern technology and logistics for improve revenue generation
- b. Expansion of Tax Payer Net to capture more taxable individuals and organizations in to the tax net.
- c. Diversification of revenue base to lessen dependence on FAAC
- d. Prompt payment of counter-part funds requirements to attract more interventions by Development Partners for the development of the State.
- e. Government will continue to block leakages in the procurement process and reduced cost of governance.
- f. Need finalize the revised Budget/virement to address already over-drawn Heads and Sub heads
- g. There is also the need to review expenditure patterns so as to allow more resources for capital expenditure.
- h. Continuous Budget monitoring to ensure value for money.

1.F Conclusions

The twin problems of insufficient resource inflow from the FAAC Account and Security challenges in the State have negatively impacted in the Budget implementation. As a State that heavily depends on FAAC, the need for concerted initiatives to change this scenario cannot be overemphasised. The State is to sustain on-going efforts of improving our IGR collection. The Proposed Revised Budget before the House of Assembly, if passed will address issues of over performance/expenditure.

2 Budget Reports

2.A Summary

Table 1: Budget Summary

Niger State Government 2021 Q3 Budget Performance Report - Summary

Item	2021 Original Budget	2021 Q3 Performance	2021 Performance Year to Date (Q1-Q3)	% Performance Year to Date against 2021 Original Budget	Balance (against Original Budget)
Opening Balance	-	-	1,763,393,970.80		- 1,763,393,970.80
