# 1 Summary of Performance

## 1.A Introduction

This Budget Performance Report for the 2<sup>nd</sup> Quarter of 2023 provides information on the performance of the 2023 budget for the second quarter (April – June). It is prepared quarterly and published within four weeks (28 days) of the end of each Quarter.

The Ministry of Economic Planning and Budget developed a comprehensive Revenue and Expenditure Framework during the preparation of the FY2023 budget. The implementation process of the FY 2023 budget commenced on the 1st of January, 2023 and will end on 31<sup>st</sup> of December, 2023 as approved by the House of Assembly.

The Budget Implementation Committee reviews the budget performance on quarterly basis before publishing online. However, the Ministry of Economic Planning and Budget has sustained efforts required to ensure improvements in Public Financial and Resource Management and activities in the State.

This report includes the Approved Budget Appropriation for the year 2023 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Two Q2, attributed to each Ministries, Departments and Agencies (MDAs), as well as the cumulative expenditures for the year to date, and balances against each of the revenue and expenditure appropriations.

The Budget performance for Quarter Two (Q2) reflects the actual inflow and outflow of resources in the State as at the end of 2023 Second Quarter with respect to the 2023 estimates.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 32
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Ministry of Economic Planning and Budget in conjunction with the Office of the Accountant-General, Osun State and published on the Osun State website <https://www.osunstate.gov.ng/resources/budget-documents/>

## 1.B Revenue Performance

The Revenue comprises of the:

- i. Recurrent Revenue
- ii. Capital Receipts

In the first quarter, the Overall Cumulative Revenue Performance was 111% with a Recurrent Revenue Budget Performance of 93% out of which the Government share of FAAC and the Independent Revenue Performed at 107% and 74% respectively against the pro-rata.

In the second quarter (Q1-Q2), the State total inflow rose to ₦63,688,595,761.44 as against the budgeted Revenue of ₦138,265,988,140.00 which gives an overall cumulative revenue performance at 92%. The recurrent revenue and other capital receipts performed at 86% and 48% respectively.

Moreso, the Government share of FAAC and the Independent Revenue Performed at 106% and 61% respectively against the pro-rata.

Some revenue items such as Land Use Fees and Sales of Admission Forms earned the State some additional income in the second quarter of the year against the projected internally generated revenue. The performance of the Independent Revenue seems to decline in the second quarter compared to the first quarter due to low patronage in some areas. The State will put more effort at ensuring that the IGR of the state is boosted.

The Capital receipts which comprises of the Aids / Grants and Capital Development Funds seems to be low compared to the first quarter (54%). The State is seeking supports from donors and we hope that in the third quarter, there will be an improvement.

## **1.C Recurrent Expenditure Performance**

The Recurrent Expenditure is divided into:

- i. The Personnel Cost
- ii. Other Recurrent Expenditure (Debt and Non-Debt)

In the first quarter (Q1), the Cumulative Performance of the recurrent expenditure was 73% out of which the Personnel cost and other recurrent expenditure was 82% and 66% respectively.

In the second quarter (Q2), the cumulative performance of the recurrent expenditure was 78% which shows an increase compared to the first quarter. The personnel cost and other recurrent expenditure which forms part of the recurrent expenditure performed at 84% and 73% respectively against the pro-rata.

The Employees Compensation Fund and Pension over performed in the second quarter and this will be given utmost attention through supplementary provision budget before the last quarter of the year.

## **1.D Capital Expenditure Performance**

In the first quarter (Q1), The Capital Expenditure Performance was 43% while at the second quarter (Q2), the performance jacked up a bit to 44% against pro-rata.

The performance is quite low as a result of low capital receipts to fund capital projects. The State is working tirelessly to ensure that she gets support from donors.

## **1.E Conclusions**

In Conclusion, the total budget size for FY2023 was projected to be ₦138,265,988,140.00 giving an actual revenue performance of ₦63,688,595,761.44 as at the second quarter (Q1-Q2) with the corresponding expenditure performance for the period as ₦47,355,189,873.55. This represents 92% and 68% for Revenue and Expenditure respectively against pro rata.

The Total Revenue Performance is low compared to the first quarter due to the factor stated above. More necessary efforts will be made in the process of revenue collection in the State.

## 2 Budget Reports

### 2.A Summary
