1 Summary of Performance

1.A Introduction

This Budget Performance Report for Oyo State is prepared quarterly and issued within 4 weeks from the end of each quarter.

This report includes the original approved budget appropriation for the year 2024 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q2, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

This Q2 report is assessed against the 2024 Original Approved Budget.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23 ~~32~~
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Accountant General Department/ Ministry of Finance/ Ministry of Budget & Economic Planning / Oyo State equivalent and published on the Oyo State website.

1.B Revenue Performance

The Recurrent Revenue in the Budget for 2024 is made up of Statutory share of government FAAC of **₦201,267,827,467.16** and Internally Generated Revenue of **₦92,793,620,681.33**.

During this period of quarter 2, there was no receipt of Aids and Grants due to maturity period estimated and workplans attached to the drawings of these aids and grants.

The aggregate revenue performance at the end of the second quarter stood at **₦212,501,804,921.76** representing **48.5%** out of the **₦438,447,878,548.39**. Out of the aggregate revenue of **₦212,501,804,921.76**, the Internal Generated Revenue was **₦ 28,697,053,478.22** representing **13.5%**. **This** shows that the State still depends largely on External Sources for its Revenue. The machineries to mobilise for revenue in the state give a hope of improved revenue from third quarter.

The State budgeted **₦213,538,475,738.94** for recurrent expenditure in 2024 with actual recurrent expenditure performance of **₦86,593,038,469.71** by the end of second quarter. The sum of **₦47,712,694,682.64** was spent on Personnel Cost representing **36.0%** while Overhead and Other Recurrent Cost gulped **₦38,880,343,787.07** representing **48.1%** performance.

The State expended the sum of **₦68,622,986,569.43** on Capital Expenditure representing **30.5%** of the total capital estimate as at the end of second quarter.

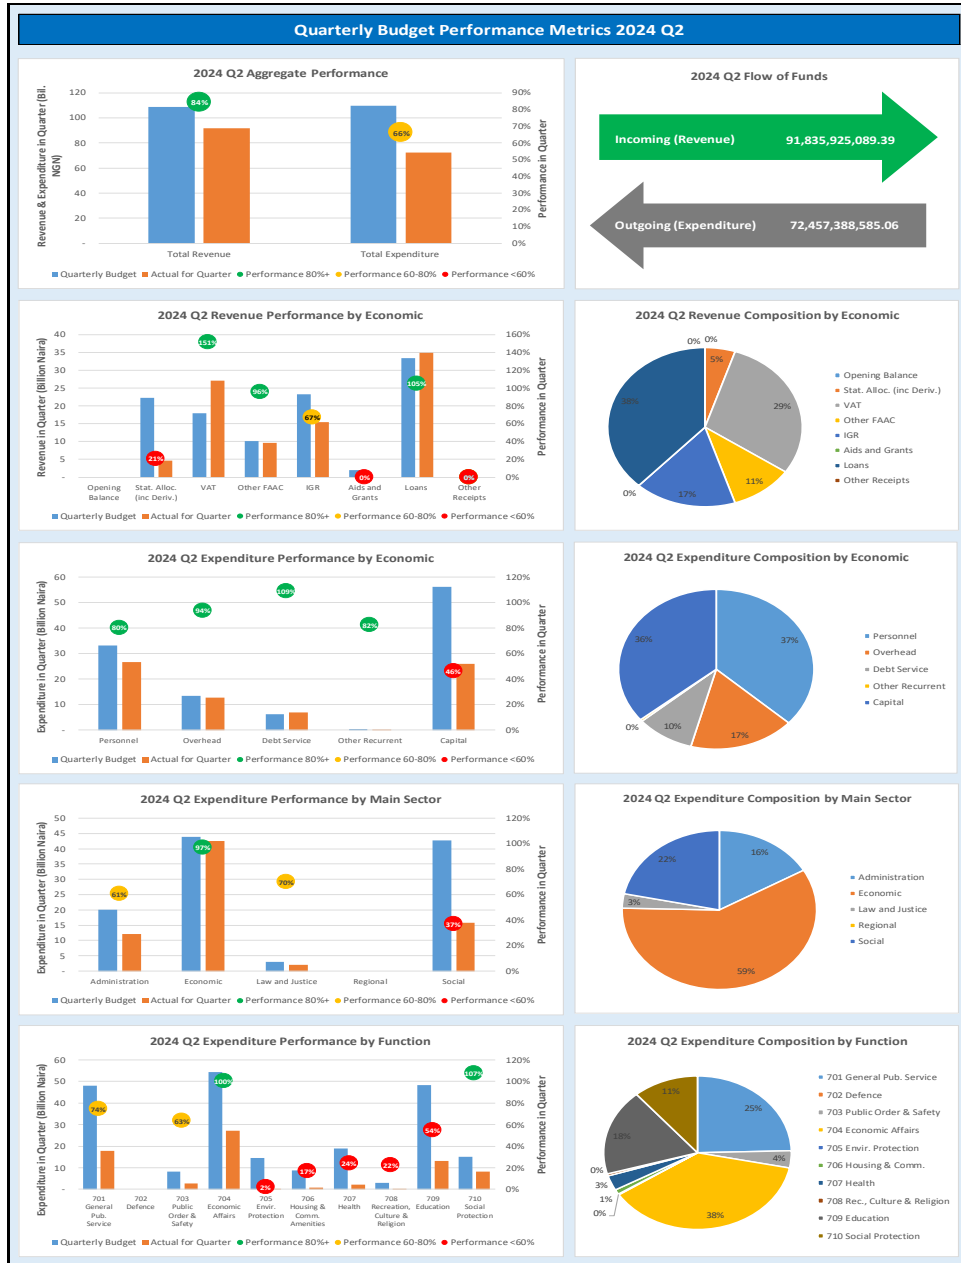

The aggregate expenditure performance at the end of the second quarter stood at **₦155,216,025,039.14** representing **35.4%** out of the **₦438,447,878,548.39**.

This performance is quite low than expected. This is as a result of due process for all capital releases. It is equally hoped that this will greatly improve by third quarter since some of these due processes would have been concluded.

1.6.1.E Conclusions

- The State is working assiduously to ensure that 75% Budget performance is achievable by third quarter. Priority attention will continue to be given to projects that are going to have great impact on the State Economy. Also, the State is putting measure in place to be self-reliant through enlarging the scope of the tax net and enactment of enabling laws that would boost revenue generation.
- The State Fund Allocation Committee should be strengthening and made effective for efficient allocation of available fund to priority.
- The Budget Implementation Monitoring Committee will continue to carry out monthly review of budget performance with a view to ensuring achievement of desired results.
