REPORT OF THE STATE AUDITOR-GENERAL ON THIRD QUARTER 2021 COVID 19 EXPENDITURE FOR THE GOVERNMENT OF BAYELSA STATE JULY- SEPTEMBER 2021

INTRODUCTION

This report transmits the fifth in a series of quarterly reports that deals with the financial management of the Government of Bayelsa state COVID 19 initiatives. It highlights the outcomes of the Bayelsa state government financial activities for the third quarter (JULY-SEPTEMBER) 2021 which demonstrates the government's efforts in response to address significant risks and impacts of COVID 19 pandemic.

The purpose of this report is to give an independent opinion and provide on-going assurance to critical stakeholders. We conducted the audit assignment based on approved audit plan. The scope is basically processes, control and regularity audit, audit procedures performed were designed to evaluate adequacy, efficiency and effectiveness of financial governance principles and control processes.

We conducted this compliance and transaction audit in accordance with generally accepted public sector auditing standards and international standards for professional practice. Those standards require that we plan and perform the audit to obtain sufficient and appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives.

An audit in this context involves an independent examination on a test basis of evidence relevant and material to amounts and disclosures made by the office of the Accountant-General.

FINDINGS

The office of the Accountant- General had provided us with all the information they are aware of that could significantly affect the findings or conclusions of this report.

Based on our audit, we can assert the following as being generally true, with no reportable exceptions that,

1. We identified no financial control issues that we believe to represent substantial defects in internal control.
2. We identified no circumstances in which we believe that Government response resulted in the acceptance of unreasonable levels of risk.
3. The office of the Accountant-General is cognizant of their responsibility for internal control functions and takes seriously the need for financial control and accountability.

AUDIT CERTIFICATE

In the course of the audit, we evaluated the overall adequacy of the transactions and chart of accounts as provided by the Accountant-General (Appendix 1 & 2) and have obtained information and explanations that to the best of my knowledge was relevant and necessary for the purposes of the audit. This audit has provided me with reasonable evidences and assurances which formed the basis of my independent opinion.

In my opinion, the expenditures incurred as presented in the financial highlight presents fairly, in all material respect, the financial deployments made by the Bayelsa state government in response to **COVID 19** for the Third quarter 2021 as provided by the Accountant-General.
