The performance index of the expenditure or utilization of funds to the Budgetary provision was 76.03%.

OBSERVATION AND RECOMMENDATIONS

- The statutory allocation in the year under review was satisfactorily due to intervention and refunds to the states consolidated revenue fund. The state to device a self sustenance programmes to intensify domestic revenue and less dependency on the Federation Hand-outs.
- The internally generated revenue constituted only 12.24% a decrease compared to the previous year's contribution to general revenue of 13.35%. The reform and harmonization law and new initiatives and

innovations to be applied in the intensification of the revenue generation abilities of the State.

- The budget funding of both the re-current and the capital expenditure was 83.71% on the average. The recurrent (i.e. personnel cost, overhead cost and consolidated revenue fund charges) budgetary allocation utilization performance was 91.40%. while, that of the capital component recorded a performance utilization of 76.03%. The government highly advised to sustain the tempo to achieve the sustainable development Goals.
- The cash management strategies being applied by the treasury ensures financial gains to the government and to some degree increases the liquidity stand of the Government. The audit still emphasize on a transparency in the cash management by the treasury.
- The investment of the government has not been harmonized and centrally controlled by an organ specifically vested with the responsibility of monitoring and controls (e.g. Jigawa State Investment and property Development Company limited cannot give an account of the government's stake in savings and loan, Galaxy communication and JASCO).

It is pertinent to have a business policy direction on the investment in the State and necessary strategies put in place to add impetus to the industrialization of the state.

- The debt management to provide a perspective analysis of the debt status of the Government which for a number of years have not been made available. This will be in line with and ensure transparency and accountability policy being pursued by the government.

- The audit implementation committee constituted by the Ministries, Departments and Agencies have not fared well as responses to reports and queries were not satisfactorily made.

It is emphasized that prompt replies to reports and queries should be made to avoid sanctions and penalties.

CONCLUSION

In an undertaking such as audit of the accounts and financial statements of the Government coupled with the statutory requirements, the attestation is hereby made of satisfactory conduct of the assignment.

I humbly extend my appreciation and praises to Allah (S.W.T) for the Health and the courage to accomplish the task.
