IMO STATE GOVERNMENT OF NIGERIA

AUDITED REPORT OF THE ACCOUNTANT GENERAL AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st DECEMBER 2023

REPORT OF THE ACCOUNTANT GENERAL.

The Report of the Accountant General together with the Financial Statements for the year ended 31st December, 2023 provide the records of the financial activities of Imo State Government for the year and the position of its financing as at the end of the year. This Report reviews the financial efforts and outcomes of the State Government in its attempts to match the objectives of Financial management with the goals of governance. This publication is expected to serve to the following purposes.

- (a) a proper documentary evidence of transparency in the government financial administration;
- (b) a permanent record of published accounts as an instrument of accountability;
- (c) a useful, concise and easy to digest information for the use of external users and;
- (d) a means of acquainting the public with the Government Financial operations and the challenges faced in discharging its financial responsibilities.

LEGAL BASIS AND ACCOUNTING FRAMEWORK

The accounting framework of Imo State Government (IMSG) is focused on proper reporting of government's budgetary activities for the financial year in line with the extant Appropriation Law. In the absence of any enabling State Public Law requiring the Accountant-General to adopt the accrual IPSAS, it leaves the Accountant General with the option of using the cash basis of financial reporting which is also, in accordance with requirements of International Public Sector Accounting Standards (IPSAS).

A Accounting Terminologies / Definitions

- i. Accounting Policies** are the specific principles, bases, conventions, rules and practices adopted by an entity in preparing and presenting financial statements.
- ii. Cash** comprises cash on hand, demand deposits and equivalents
- iii. Cash equivalents** are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.
- iv. Cash basis** means a basis of accounting that recognizes transactions and other events only when cash is received or paid
- v. Cash flows** are inflows and outflows of cash. Cash flows exclude movements between items that constitute cash as these components are part of the cash management of an entity rather than increases or decreases in the cash it controls.
- vi. Cash receipts** are cash inflows.
- vii. Cash payments** are cash outflows.
- viii. Cash Controlled by an entity:** Cash is controlled by an entity when the entity can use the cash for the achievement of its own objectives or otherwise benefit from the cash and excludes or regulates the access of others to that benefits. Cash collected by, or appropriated or granted to, an entity which the entity can use to fund its operating objectives, acquire capital assets or repay its debts is controlled by the entity.
- ix. Consolidated Revenue Fund** represents the aggregated balance of the revenue and expenditure account after all the recurrent revenue and expenditure for the year have been recognized.
- x. Capital Development Fund** represents the aggregated balance after the receipts and expenditure for the year have been recognised. It also includes annual transfers from the Consolidated Revenue Fund in line with the amount provided in the annual budget of the state.
- xi. Statutory Allocation** is made up of revenue collected on a monthly basis which represents the State's share from the Federation Account. The State's share from Federation Account, Excess Crude Receipts and Refund from any source are included in the gross statutory allocation in the Financial Statements. Statutory allocations are recognized in the Financial Statement when received.
- xii. Recurrent Revenue and Expenditure:**
 Recurrent Revenue are revenue generated by the State from Taxes, Licences, Fees, Fines, Sales, Earnings, Rent on Government land, Rent on Government building ,Income from investments and other incidental revenue. They are recognized in the financial statement. Recurrent expenditures are expenditure on Personnel, Pension and Gratuities,Salaries of statutory office holders, other overheads and Public Debt Charges. They are recognized in the Financial Statements of the state when payments are made.

B STATEMENT OF ACCOUNTING POLICIES.

In order to ensure an effective and efficient utilization of the COA and GPFS, Accounting Policies have been developed by the State Government as a set of guidelines to direct the Processes and Procedures relating to financial reporting in the government financial statements.

The General Purpose Financial Statements comprised statement of cash receipts and payments and other statements that disclose additional information about the cash receipts, payments and balances controlled by the state government and accounting policies and notes.

i Statement 1 - Cash Flow Statement: Statement of cash receipts and payments which:

* Recognizes all cash receipts, cash payments and cash balances controlled by Imo State Government.

* Separately identifies payment made by third parties on behalf of Imo State Government.

ii Statement 2 - Statement of Assets and Liabilities: Statement of Financial Position;

iii Statement 3 - Statement of Consolidated Revenue Fund: Statement of Recurrent Financial Performance;

iv Statement 4 - Statement of Capital Development Fund: Statement of Capital Financial Performance;

v Notes to the Accounts: Additional disclosures to explain the GPFS

vi Accounting Policies and Explanatory Notes.

Basis of Preparation and Legal Provisions

The State Government General Purpose Financial Statements are prepared under the historical cost convention and in accordance with International public Sector Accounting Standards (IPSAS Cash Basis) and other applicable standards as defined by Fiscal Responsibility Act (FRA) and the Financial Reporting Council of Nigeria. In addition the GPFS are compliant with the provisions of the Finance (Control and management) Act 1958 now CAP 144LFN, 1990, the Financial Instructions (1978) and other known legal requirements.

1 Fundamental Accounting concepts

The objective of the financial statements is to provide information about the financial position, performance, and cash flows of IMSG for a wide range of applications and uses. Being a public sector organisation, the objectives were developed specifically to provide information for public policy architecture, and assist in fiscal targeting. The objective is also to demonstrate IMSG's compliance with, and commitment to, basic principles of good governance (transparency, full disclosure, and accountability).

The core accounting concepts followed in preparing the financial statements are those laid out in the Imo State Financial Instructions (FI) and other extant Public Finance Management Laws and those described in IPSAS1. These includes: cash basis of accounting, understandability, materiality, relevance, going concern concept, consistency concept, prudence and completeness etc.

Preparation of the financial statements in accordance with the above mentioned rules and principles requires that management makes estimates that may affect the reported amounts of certain items in the statement of financial position and Statement of financial performance, as well as the related disclosures.

2

Accounting Period

The Accounting year of the State Government Financial Statements (fiscal year) is from 1st January to 31st December. Each accounting year is divided into 12 calendar months (periods) and are set up as such in the accounting system.

3

Reporting Currency

The General Purpose GPFS are prepared in Nigerian Naria.

4

MDA for Consolidation

The Consolidation of the GPFS are based on the Cash transactions of the Ministries, Departments and Agencies (MDAs) of the State Government except Government Business Enterprises (GBEs).

5

Comparative Information

The General Purpose Financial Statements GPFS has been designed to disclose all numerical information relating to previous period (at least one year)

6

Budget Figures

These are figures from the approved annual budget and supplementary budget as approved in accordance with the Appropriation Act of the State Government of the current year.

AUDITOR-GENERAL'S CERTIFICATE

The Financial Statements and Accounts of the Government of Imo State of Nigeria for the year ended December 31, 2023, have been audited in accordance with section 125 subsection 2 of the Constitution of the Federal Republic of Nigeria 1999 (as amended) (and the Imo State Audit Law of 2021). The Audit was conducted in accordance with International Standards on Auditing and INTOSAI Auditing Standards.

In the course of the audit, I evaluated the overall adequacy of the information presented in the general purpose Financial Statements which were prepared in accordance with International Public Sector Accounting Standards (IFRAS). I have obtained information and explanation that to the best of my knowledge was relevant and necessary for the purposes of the audit. This audit has provided me with reasonable evidences and assurances which formed the basis for my independent opinion.

In my opinion, the Financial Statements which are in agreement with the books of accounts and records show a true and fair view of the financial position of the Government of Imo State for the year ended December 31, 2023 and the transaction for the fiscal year ended on that date.

SPECIAL OPINION:

The State is eligible to receive performance based financing from the Federal Government subject to performance against predefines criteria in the Work Bank Assisted State Action on business enabling Reform, Program for Results (SABER PforR) and NG-CARES. The NG-CARES expenditure frameworks (and receipts) are detailed in Note 15c in the General Purpose Financial Statement of Imo State Government

In my opinion, Note 15c presents fairly in all material respects the expenditures incurred (and funds received) against the NG.CARES Program by the State for the year ended December 31, 2023 as required in accordance with IPSAS Cash Basis.
