# 1 Summary of Fiscal Performance Graph

## 2 Summary of Performance

### 2.A Introduction

This Budget Performance Report for Gombe State is prepared quarterly and issued within 4 weeks from the end of each quarter.

This report includes the approved budget appropriation for the year 2024 against each organizational unit for each of the core economic classifications of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter (Q2), attributed to each organizational unit, as well as the cumulative expenditures for the year to date, and balances against each of the revenue and expenditure appropriations.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21, and Economic Account Class 2201
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203 - 2208 as applicable

This Budget Performance Report is produced by the Budget Directorate, Ministry of Budget and Economic Planning (MoB&EP) in collaboration with the Office of the State Accountant General and the Ministry of Finance and Economic Development. It is published on the Gombe Ministry of Finance website ([www.mof.gm.gov.ng](http://www.mof.gm.gov.ng)).

### 2.B Revenue Performance

The quarter 2, 2024 (April – June) budget performance shows continued positive performance for the year, with actual overall Recurrent Receipts of **N30,833,709,503.63** in Q2 and year to date (i.e., Q1 and Q2) of **N60,150,310,033.21** representing 49.3% out of the total annual estimated sum of **N121,922,445,500.00**.

This amount comprises allocations from the Federation Account (FAAC) and the State Internally Generated Revenue (IGR), otherwise referred to as Independent Revenue. The Recurrent receipts performance was impressive for the quarter under review with collections, especially of Internally Generated Revenue (IGR) showing remarkable improvement with some budget lines already exceeding their annual budget estimate.

The Government's share of FAAC (Statutory Revenue) amounted to **N25,733,122,620.30** during the period under review (April to June 2024) and year to date (i.e., Q1 and Q2) of **N50,538,161,630.43** constituting **50.7%** of the annual projection of **N99,604,200,000.00**. Additionally, IGR collected in the same period amounted to **N5,100,586,883.33** and year to date (i.e., Q1 and Q2) of **N9,612,148,402.43** which is **43.1%** of the projected **N22,318,245,500.00**. The Government is optimistic that revenue collections in 2024 will exceed previous years.

## 2.C Recurrent Expenditure Performance

The Recurrent Expenditure consists of Personnel costs, Overhead costs, and Public Debt Charges. During the period under review, Recurrent Expenditure amounted to **N20,746,373,484.53** and year to date (i.e., Q1 and Q2) of **N41,643,714,437.20** which is **47.6%** of the projected **N87,520,200,000.00**. The breakdown of the recurrent expenditure is as follows:

- Personnel costs – N7,967,100,015.90
- Overhead costs – N6,427,790,427.42
- Other recurrent expenditure - N6,351,483,051.21

Overall, these figures indicate that nearly half of the projected Recurrent Expenditure for the year has already been utilized, highlighting the financial activities and commitments within the specified period under review.

## 2.D Capital Expenditure Performance

The 2024 budgeted Capital Expenditure amounts to the sum of **N120,543,800,000.00**. During the period under review (April – June) a total amount of **N45,750,477,580.99** was

spent on capital projects by the state Government, and year to date (i.e., Q1 and Q2) of **N64,008,081,561.58** representing **53.1%** performance. The Capital Expenditure performance is impressive compared to that of the first quarter. The improvements could be attributed to the fact that elections are over, and the government has settled down for serious business of delivering dividends of democracy to its citizens.

## 2.E Conclusions

Considering the above, it may be noted that the overall budget performance in quarter 2 of 2024 stands at **50.8%**. This indicates a total expenditure of **N105,651,795,998.78** out of the total budget size of **N208,064,000,000.00**.

The performance in Capital Expenditure has greatly improved in quarter 2. It is also very encouraging to note that, recurrent receipts and recurrent expenditure continued to show strong performance. However, more is expected to be done on capital expenditure. The zeal and enthusiasm of the present administration are evident in its efforts to carry out massive construction/completion and expansion of basic social and economic infrastructures such as:

- Commencement of work at the Special Capital Development Zone.
- Further the flag-off of road construction at Tumfure quarters.
- Provision and sales of fertilizers to farmers at 50% discounted market rate.
- Infrastructural provision at the Dukku Campus of Gombe State University.
- On-going work at the new site of College of Nursing and Mid-wifery, Gombe.
- Completion of three General Hospitals in Funakaye, Kaltungo and Kumo.
- Continuous remodelling of Primary and Secondary Schools.
- Muhammadu Buhari Industrial Park project.
- Construction of more road networks both at urban and rural areas of the State.

These efforts reflect the administration's commitment to delivering the dividends of democracy to its citizens and further enhancing the state's infrastructure and economic growth.

### 3 Budget Reports
