

**ADDRESS BY THE EXECUTIVE GOVERNOR OF BENUE STATE, HIS EXCELLENCY REV. FR. DR. HYACINTH IORMEM ALIA, AT THE PRESENTATION OF THE 2024 BUDGET ESTIMATES TO THE BENUE STATE HOUSE OF ASSEMBLY MAKURDI ON FRIDAY 8<sup>TH</sup> DECEMBER 2023.**

***THEME: Budget of Infrastructure Development, Job Creation, and Poverty Alleviation***

## **A. PROTOCOLS**

**1. I stand before you today with great honor and responsibility as we embark on a journey to shape the future of our beloved State. The theme of this year's budget is clear, given the enormous challenges confronting us as a State. It is to this extent that I present to this auspicious Assembly the Budget of Infrastructure Development, Job Creation, and Poverty Alleviation, which is drawn from my blue print tagged "*the Strategic Development Plan for a Greater Benue*" whose seven pillars will serve as the foundation for a more prosperous and equitable society.**

**2. Mr. Speaker, Honourable Members, may I use this opportunity to congratulate you and all Members for your victory at the polls and election tribunal, while also acknowledging, and appreciating our Benue brothers and sisters, who sought to serve the State on various platforms but could not make it. By indeed offering themselves for service, their efforts should be commended, but as we all know, leadership is of God, who beacons on whomsoever for this role, at His time and place. I therefore call on all that we should come and work together for a better and greater Benue, as the time for politicking and campaigns are over. It is time to build Benue for the greater good of all.**

**B. The Development Challenges and Progress Contextualized**

**3. Mr. Speaker, Honorable Members, on assumption of Office on the 29<sup>th</sup> May 2023, I was confronted with the malaise of an unpaid workforce running to arrears owed them over a period of eleven (11) months. Pension and gratuity owed for a period ranging to thirty-six months or 3 years. This not only impeded on workers' productivity and motivation, but also stifle economic growth, which exacerbated the recessionary period and the disruptions of the COVID-19 pandemic. If the outgone government had done the needful to mitigate these effects by availing her public servants their dues as at when due, then indeed the State would not have transited to the ridiculously lowest development ebb, she was handed over to our**

**administration. It is worth noting that the second employer of labour in Benue State is the civil service, as such, negatives associated with this sector has far reaching economic implications on the Benue people.**

**4. Mr. Speaker, Hon Members, the inability of the outgone administration to pay the Benue State civil servants, at some point led to reducing the working days per week from 5-days to 3-days, more so that civil servants lost the motivation to make it to work. This developed into an inert attitude inimical to economic growth, which we are trying to correct with the prompt payment of salaries. This has also ensured a kick-start of economic life, amidst good homestead planning of economic activities amongst our public workers.**

**5. Mr. Speaker, Honourable Members, we came in to meet a mismanaged vault that left a yawning opening balance, which had nothing therein. This explains the State of States Fiscal sustainability ranking of Benue State ranked 36<sup>th</sup> out of 36 states in Nigeria as at 2022. Mr. Speaker, Honourable Members, as a government, we had no functional vehicle to carry out government business, as the outgone government carted away all vehicles (even ambulances), as well as vandalized valuables on the pretext of carting away government properties. We started public business from ground zero.**

- 6. As a corollary, all state infrastructure, buildings and furniture, working tools were in serious decay needing a declaration of state of emergency. Our health facilities from basic to tertiary care are in comatose, and needing a quick fix.**
- 7. The poor handling and politicization of our security concerns exacerbated the issue of Internally Displaced Persons. We met the living conditions of our IDPs in a deplorable state, a tide we are trying to turn in their favour, while we explore strategies of finally returning them to their ancestral homes.**
- 8. Mr. Speaker, Hon Members, the outgone administration entered into obnoxious Public-Private Partnership(PPP) and or Lease contract agreements in the name of her privatization policy. These agreements are indicative of the desire to further push the State to the core of the vestige of poverty, now and for the unborn generation. Our government, which rode on massive popularity, and divine mandate, to ascend to power, we owe it as a duty to our people, to reverse this negative tide, by not allowing a few individuals, shackle our people in chains in a vicious cycle of poverty.**
- 9. Mr. Speaker, Honourable Members, it is worth mentioning that we met a failed NG-CARES, a program for results initiative of the world bank, where Benue State is to benefit \$20million USA Dollars. It might interest you to know, Mr. Speaker, Honourable Members that an interest free loan was advanced to the State by World Bank to the tune of N1.1billion, as budget**

**support towards the implementation of this program. The intent was to ensure that this loan be invested in the lives of Benue People as a condition, upon verification by World Bank, it will attract earned grants, which could offset the loan, thereafter, the State was qualified to draw down from the \$20 million grants pool kept in custody for the her by the bank. As it were, this was free funds. But upon verification of the investible funds by World Bank, who reported that the outgone administration mismanaged the N1.1billion funds, but rather left the State with an indebtedness to the tune of 265million. On assumption, due to prudent management, we reversed this tide by investing another N152million to earn about N1.7billion, which enabled the State clear her indebtedness of N265Million, leaving us with an earned amount of about N1.4 billion, which we hope to reinvest into the lives of our people.**

**10. Mr. Speaker, Honourable Members, it suffices to state that investors and most especially Development partners left in droves on account of heighten security challenges but specifically that Government at the time reneged on payment of counterpart funding to most activities requiring intervention funding. I have given special attention towards resolving this issue of enhanced Development financing by creating an International Cooperation unit in my office to assist the Benue State Budget and Economic Planning Commission, to ensure**

**that we bring back all our development partners in their droves.**

**11. Summarily, Mr. Speaker, Honourable Members, the outgone administration simply hid her ineptitude in the veil of invading terrorist herdsman attacks on the Benue people, and allow the State to be broken. But we campaigned to fix a broken Benue, and this we MUST do! God's willing!**

**12. My hope is further rekindled given the massive potentials of the State that has a comparative advantage in agriculture to others, with potentiality existing in her 80% energetic and vibrant labour force, an arable land of about 35,000 square kilometers that supports growth of most tropical crops, a blessed land with an estimated 34 solid minerals found therein, and with River Benue being the second largest water body within the country.**

**13. To this extent, my administration will strive to utilize agriculture as one of the fulcrum that will pilot the growth process of the Benue people. Efforts and strategies in modernizing and developing the agriculture value chain will be accentuated, as we acknowledge that the government is a bad businessman, we would utilize the Public-Private Partnership(PPP) model, to ensure that we boost and revive our smallholder enterprises as we sojourn towards our Agro-industrial future.**

### **C. REVIEW OF THE PERFORMANCE OF APPROVED 2023 BUDGET**

**14. Mr. Speaker, Hon Members may wish to note that on assumption of Office being 29<sup>th</sup> of May 2023, my administration met an Approved 2023 Budget of One hundred and Seventy-Nine Billion, seven hundred and Fifty Million, and Ninety thousand, one hundred and Twenty-three naira forty Kobo(N179,750,090,123.40K) only.**

### **D. Overall 2023 Approved Budget Performance as at Mid-Year**

**15. On the whole, the 2023 approved Budget as at mid-year recorded a poor performance Statistic of 21.7% or Thirty-eight Billion, Nine hundred and Eighty-Six Million, Two Hundred and Thirty-Six thousand, four hundred and Eighty-Five Naira Eighty-nine Kobo(N38,986,236,485.89K) Only.**

**16. Capital expenditure performed at ridiculous levels of 7%, of the total capital votes while recurrent expenditure noticed a performance of 31.9% of the total recurrent votes.**

***(Details of these are populated and uploaded on the website of the Benue State Budget and Economic Planning Commission)***

### **E. Reasons for the Revision of 2023 Approved Budget**

**17. Drawing from the foregoing, Mr. Speaker, Hon Members, should please note that the evaluation of the 2023 Approved Budget warranted a revision with the intent to rejig the economy and ensure the reversal of negative fortunes**

**associated with the implementation of the Approved 2023 budget. Furthermore, some objectives targeted by us meant a revision became imperative. This revision was made utilizing Virements within the same budget space, to achieve the following objectives;**

- i. That we intended to make adequate provisions of votes, so as to undertake the construction of critical infrastructure, to include urban and rural roads network, street lighting project, as well as enable the accessibility of quality water to the Benue citizenry.**
- ii. That our intent to provide fertilizer and other farm inputs to Benue Farmers at subsidized cost.**
- iii. That as a government our intent to reach her vulnerable group via the NG-CARES program became paramount, given the enormous gains associated with this program. More so that the outgone government under Ortom's watch had mismanaged resources on this program to incur for the State a debt obligation of N265million that must be paid as a sine qua non to further access grants from World Bank.**
- iv. The intent of government to Improve on the technology, which will assist towards blocking leakages associated with Internal revenue generation, and the shrouded activities on the Staff pay roll and pensions.**
- v. That government intended to equitably utilized the palliatives offered by the Federal Government as a shock**

**stop-gap associated with the removal of fuel subsidy, to assist hedge the shock on her youth, women, farmers, pensioners, students, persons living with special needs, and transportation for all.**

- vi. That the Ortom-led administration having at half –year performed abysmally poor with an overall 21.7% statistic, as well recording an outrageous poor statistic of a mere 7% performance for capital expenditure, while overheads recorded about 40.6% performance on primarily votes on Government House, Deputy Governor’s Office, Ministry of Finance, Office of the Accountant General, Office of The Secretary to the State Government, and Bureau for Internal Affairs and Security Services, which assumed extra-budgetary figures. There was need for a revisit on these budget Heads if my administration was to function optimally moving towards year end.**
- vii. That as a corollary to the above, these aforesaid agencies, under the Ortom-led Government, had primarily overshoot their spending votes, as approved by the 2023 budget, to give them an extra- budgetary spending schedule, to the tune of Two billion, Two hundred and sixty-eight million, five hundred and eighty-four thousand, nine hundred and twenty naira (N2,268,584,920) only.**
- viii. That the 2023 Approved Budget by the Ortom-Led administration was principally an assemblage of numbers,**

**within a document called an Approved 2023 Budget that was not meant to be implemented. This was observed in the ridiculous under-costing of so many capital line items, in the 2023 Approved Budget, as such the 2023 budget was Dead on Arrival(DOA). To this extent, a revisit was solicited.**

- ix. That the 2023 Approved budget did not reflect any line item to depict that Benue State workforce were owed salary arrears of the fiscal year 2017 culminating to about 6 months. To address this anomaly, a revisit for adjustments of the 2023 Approved Budget was solicited.**
- x. Other issues necessitating a revision of 2023 Approved budget included; Subsidy Removal did produced both positive and negative shocks to the system, traced to increasing revenue profile from FAAC for the State; the issue of Federal Government N5 billion worth of Palliatives that were accorded to the State, wherefore 42% was interest-free loan, and the other part being a 58% grant; a rising inflationary trend being compounded with the exchange rate volatility, that was associated with the concomitant Investors & Exporters (I&E) unification of the exchange rate single window policy of the President Bola Tinubu's led Administration. To address these evolving economic fundamentals affecting the Benue Economy, a revisit of the Approved Budget was solicited.**

- xi. That the accompanying overhead costs associated with the creation of new Ministries, as well as the overhead costs accompanying the take-off of a new administration, are all indicators that necessitated a revisit of the Approved 2023 budget.**
- xii. Finally, that most of the assumptions as predictors of the Approved 2023 budget, had been altered significantly, except for Security and Revenue projections that took positive tractions. To this extent, a revisit of the Approved 2023 budget was solicited**

#### **F. The Revised 2023 Budget.**

**18. It is important for Mr. Speaker, Hon Members to be aware that in an effort to mitigate these challenges and attain the stated goals already highlighted, which were drawn from my blueprint tagged “A Strategic Development Plan for A Greater Benue” Virements for a functional and implementable budget were made to the tune of Thirty Billion, two hundred and Ninety-Six Million, Two Hundred and Seventy-seven Thousand, two Hundred and Eighty-Seven Naira Sixteen Kobo(N30,296,277,287.16K) only to represent the Revised 2023 Supplementary Budget, which still maintained the overall figure of One hundred and Seventy-Nine Billion, seven hundred and Fifty Million, and Ninety thousand, one hundred and Twenty-three naira forty Kobo (N179,750,090,123.40K) only.**

## **G. Revised 2023 Total Budget Performance**

**19. As at Third Quarter Year-To-Date(3YTD) performance the total budget performed at 34.6% or Sixty-two billion, one hundred and four million, five hundred and forty-five thousand, eight hundred and twenty-eight naira twenty-seven Kobo(N62,104,545,828.27K) only. What this connotes when compared with 2YTD, which is the mid-year performances reveal that on the whole, so far, given quarterly performances, the current administration has outperformed the former administration by an overall proportion of 59.4%; while again outperforming by 20% in terms of votes committed to Capital development; and an outperformance of 141.6% as regards payment of salaries and other personnel costs.**

***(Details of these performances are uploaded on the website of the Benue State Budget and Economic Planning Commission)***

## **H. Miles Stones Achieved**

**20. The following miles stone have been recorded in the span of 6-months. These include;**

- Procurement of 100 public buses for Benue Links to ease financial burden of transportation for the masses.**
- Reached out to about 2000 beneficiaries in the first phase of the World Bank assisted NG-CARES program. We are hoping to reach about 9,000 more beneficiaries in the second phase, in our zeal to alleviate poverty heading into 2024 fiscal year.**

- **There is renewed synergy with the Federal Government as such attracting attention to critical infrastructure and humanitarian needs of Benue State**
- **We have sustained the Food Basket Status of Benue State by giving attention to the subsidization of Fertilizer, pesticides, seedlings by 50%**
- **We have paid all Commissioners, Special Advisers and other Appointees to date covering their dates of assumption of Office**
- **We are registering the final exams (that is WAEC and NECO) of all final year Students in Government Public Secondary Schools, to relieve parents of this financial burden. This will cause a release of such funds for the parents to channel same to other areas of need.**
- **We are mobilizing intensively towards reaching rural women through their cooperatives, in the domestication of our ALIA-CARES project.**

**Mr. Speaker, Honourable Members, we have achieved these milestones in just 6-months without borrowing a dime. We intend to do more, Benue has gone through a lot, it is about time to allow her breathe. Let me borrow from the theme of our Dear President and Commander of the Armed Forces, President Bola Ahmed Tinubu, ‘there is Renewed Hope’**

**This renewed Hope is what the All Progressive Congress (APC) campaigned on, and this is what I MUST offer to my dear Benue.**

**I. Budget 2024 Proposed Estimates: Budget of Infrastructure Development, Job Creation and Poverty Alleviation**

**21. The Principles of the Proposed 2024 Budget**

**(i) Infrastructure Development: Mr. Speaker, Honourable Members, our commitment to infrastructure development is unwavering. We recognize that robust infrastructure is the backbone of economic growth. Therefore, a significant portion of this budget will be allocated to infrastructure projects that will not only connect our regions but also empower our citizens. We will invest in modernizing our transportation networks, including roads, bridges, and public transit systems. This will not only enhance connectivity but also facilitate the movement of goods and people. This budget intends to provide a reliable energy supply in our rural areas, which is essential for industrial growth. A prioritization in investments in renewable energy sources to ensure a sustainable and resilient power infrastructure is also on our menu. This will also ensure that we light up our dark alleys to curb security concerns. Digital Connectivity ensures that we start the process of utilizing high speed internet to carry out government activities as well fostering digital inclusion and supporting innovation.**

**(ii) Job Creation: Empowering our citizens with meaningful employment is at the core of our economic vision. This budget will implement targeted strategies to create job opportunities across various sectors. We will invest in education and vocational training programs to equip our workforce with the ICT skills needed for emerging industries, ensuring they remain competitive in the global market. Small and medium enterprises are the backbone of our economy. This budget allocates funds to support entrepreneurship, women cooperatives to providing access to capital, mentorship, and resources for aspiring business owners.**

**(iii) Poverty Alleviation: No nation can prosper while leaving its most vulnerable citizens behind. We will implement measures to alleviate poverty and promote social inclusion. We will strengthen social safety nets to provide support for the most vulnerable members of our society, ensuring that no one is left without basic necessities. Our commitment to poverty alleviation extends to rural areas. This budget includes initiatives to improve agricultural productivity, access to healthcare, and educational opportunities in rural communities.**

**This budget is a roadmap to a brighter future for our State. By investing in infrastructure, creating jobs, and alleviating poverty, we are laying the foundation for a prosperous and inclusive society.**

## **J. Key Assumptions of the 2024 Budget Estimates**

**22. Mr. Speaker, Honourable Members, the removal of fuel subsidy and the prevailing exchange rate regime, are two macroeconomic fundamentals that have significant implications on our economy. Proceeding with the estimates herein means that the following assumptions should hold:**

- (i) Real Gross Domestic Product growth is assumed at 3.2%**
- (ii) The expected crude oil prices at \$65 benchmark**
- (iii) Oil production rate benchmark of 1.6 Million Barrels Per Day**
- (iv) Subsidy removal and stable inflationary rate predicted at national rate of 20%.**
- (v) on the assumption that the increased VAT rate from 5% to 7.5% and the expanded area of coverage including areas such as banks and mobile phone transactions will no doubt make up the projections.**
- (vi) This takes care of the fluctuations in crude oil price and production which most often fluctuate due to exchange rate at N750 to One Dollar.**
- (vii) The State Government anticipates an increase in its revenue base by blocking leakages and exploring new revenue sources. The most critical of all is to sustain continuous enforcement of payment of ground rent by property owners and improve IGR up to 25% annual growth in 2024.**

(viii) **The State Government expects grants from International Donors and other local donors.**

(ix) **The proposed debt service is based on the expected amount of interest and principal due for payment on debts owed.**

**K. PROPOSED YEAR 2024 BUDGET OF INFRASTRUCTURE DEVELOPMENT, JOB CREATION AND POVERTY ALLEVIATION**

**23. Following the assumptions and Third Quarter Year-To-Date (3YTD) performance, which has shown incredible inroads in fixing a broken Benue, the annual road map to development of Benue State moving forward as themed the Budget of Infrastructure Development, Job Creation and Poverty Alleviation, has her consolidated framework presented on Table 1 hereunder.**

## **L. Proposed 2024 Total Revenue**

**24. Following the approval for the revision of the 2023 Approved budget and its subsequent 3YTD performance, the Budget of Infrastructure, Job Creation and Poverty Alleviation, which draws life from my Policy Document tagged “A Strategic Development Plan for a Greater Benue” intends to Finance the 2024 budget with the sum of Two hundred and twenty Five Billion, seven hundred and twenty-seven million, three hundred and ninety five thousand, two hundred and Six naira ninety-seven Kobo(N225,727,395,206.97K)only. This shows a 25.6% increase over the Revised and approved 2023 budget.**

## **M. Proposed 2024 Recurrent Revenue**

**25. Out of the total revenue, recurrent revenue does account for One hundred and forty-three billion, eight hundred and forty million, five hundred and ninety-one thousand, eight hundred and ninety-two naira thirty-eight Kobo (N143,840,591,892. 38K) only, which depicts 19.4% increase over the revised 2023 budget.**

**26. Mr. Speaker, Honourable Members should note the hearty development that revenue expectations from Government share of FAAC is expected to increase by 31.3% over the projections as were made in the revised 2023 budget, to this extent the proposed revenue expected from Government Share of FAAC reflects One hundred and twenty billion naira (120,000,000,000) only. But conversely, there is an expected decrease in Internally Generated**

**Revenue (IGR) by 17.1% to reflect Twenty-three billion, eight hundred and forty million, five hundred and ninety-one thousand, eight hundred and two naira thirty-eight Kobo (N23,840,591,892.38K) only. The rationale for the drop in IGR is predicated on the basis that overtime, IGR projections has been overestimated by revenue generating agencies, to this extent, projections towards achieving actual accruals based on historical data reflects this dip. This notwithstanding, expectations are also in top gear to explore other IGR sources, especially in the solid minerals and gaming areas, whose expectations will likely shore-up IGR moving forward into other years. It is to this extent, that we would diversify and maximize other revenue sources as we also review and implement all legislations relating to revenue collection and remittances in the State.**

#### **N. Proposed 2024 Non-Recurrent or Capital Receipts/Revenue**

**27. Mr. Speaker, Honourable Members should note that non-recurrent revenue or Capital receipts as a component of revenue inflows shows a 38% increase over the Approved and revised 2023 budget. The 2024 fiscal year projections reveal Eighty-one billion, eight hundred and eighty-six million, eight hundred and three thousand, three hundred and fourteen naira fifty-nine kobo(N81,886,803,314.59K) only.**

**28. But in our zeal to reengage donor partners towards making concrete and appropriate efforts to attract foreign funds for**

**development that out of the proposed capital receipts, the Aids and Grants projections component is expected to notice an increase of 77.4% over the figure approved in the 2023 revised budget. To this extent, the proposed projection requiring Mr. Speaker's and this auspicious Assembly's Approval for 2024 fiscal year is thirty-six billion, nine hundred and ninety-two million, nine hundred and thirty-two thousand, seven hundred and sixteen naira forty-three Kobo(N36,992,932,716.43K) only**

**30. Mr. Speaker, Honourable Members may wish to note that the other component of capital receipts which is the Capital Development Fund(CDF) will notice only a slight increase of 16.7% as against the Approved and Revised 2023 budget. The CDF receipts expected for 2024 stands at Forty-Four billion, eight hundred and ninety-three million, eight hundred and seventy thousand five hundred and ninety-eight naira sixteen Kobo(N44,893,870,598.16K) only. It is evident that in the past this budget head was evident with an outrageous growth pattern, which has pushed our debt to surpass certain sustainability benchmarks. In this regards, good management of our purse calls for caution in borrowing for development. Our outlook in this regards is to adopt a debt prioritization approach, as we imbibe an inward-looking culture, to source for revenue for our development needs, while de-emphasizing borrowing, on and until it becomes extremely necessary.**

**31. Mr. Speaker, Honourable Members, I am standing in this gap, for our generation unborn, as I cannot accrue for them a dead-weight debt burden associated with unwarranted social elephant projects.**

**O. Proposed Recurrent Expenditure**

**32. The proposed sum of one hundred and ten billion, five hundred and eleven million, two hundred and thirty-three thousand, nine hundred and sixty-five naira ninety-nine kobo (N110,511,233,965.99K) only is expected as total recurrent expenditure. This shows a percentage of 1.9% away from the total recurrent cost of the Revised 2023 budget.**

**33. Personnel cost as a component of the recurrent cost is expected to increase by 17.1% as against the provisions made of the same votes in the Revised 2023 budget. To this extent, the proposed sum expected for 2024 personnel cost is Fifty-six billion, four hundred and seventy-nine million, seven hundred and ninety-nine thousand, five hundred and ninety naira fourteen Kobo (N56,479,799,590.14K) only.**

**34. Mr. Speaker, Hon Members, a worker deserves his or her wages, on this note, I want to reiterate my desire, to offset all salary arrears owed civil servants. My plan is to ensure that I pay at least one-month salary owed civil servants in every three months, to completely clear all State indebtedness, in this regards, by second quarter of 2025. For this reason, to say the least, rather**

than add to the financial burden of the State, by massively recruiting in the public sector, it is in the best interest of all to pay workers, what they are owed. Our intentions which are pure, should be tailored towards the creation of activities that will stimulate job opportunities in the Labour market across the Benue economic space. Additionally, we intend to carry out a Job needs assessment that will aid employment decisions in the Benue Civil Service. This will exactly situate, the quantum and Job descriptions needed in Service before employment.

35. The other component part of recurrent expenditure which is the non-personnel cost or overheads is proposed at fifty-four billion, and thirty-one million, four hundred and thirty-four thousand three hundred and seventy-five naira eighty-four Kobo(N54,031,434,375,84K) only. This connotes a 10.3% decrease in the preposition expected on this line item in the proposed 2024 budget, when compared to provisions made on same vote for the Revised 2023 budget. The decrease notwithstanding, Mr. Speaker, Honourable Members, it shows how primarily we want to be associated with efficiency in the disbursement of our funds, while also noting that training and retraining of all civil servants for optimum service delivery will be an item on our front burner, as well as upgrading the necessary infrastructure and working implements at all government Ministries, Departments, and Agencies.

## **P. Proposed Capital Expenditure**

**36. The proposed allocations for capital expenditure in the 2024 budget has received a massive boost of 61.6% when compared with provisions made on this head in the Revised 2023 budget.**

**The proposition on this head stands at One hundred and fifteen billion, two hundred and sixteen million, one hundred and sixty-one thousand, two hundred and forty naira ninety-nine Kobo(N115,216,161,240.99K) only. Mr. Speaker, Honourable Members, the completion work, and full equipage of the Benue State House of Assembly Complex, as well as the construction of the Ministry of Justice, The Audit House as Legacy buildings will be funded from this Head.**

**Q. Recurrent Expenditure to Capital Expenditure Ratio (REX: CAPEX) compared between Revised 2023 Approved Budget and the Proposed 2024 Budget**

**37. Our Projections suggest that REX: CAPEX ratio indicates that REX in 2023 was 60% of the approved budget and it is decreased to 49% in the 2024 total proposed budget. This indicates an 18.3% decline. On the flip side CAPEX total allocations was 40% in the Revised and Approved 2023 budget, but it is increased to 51% indicative of a 27.5% improvement over previous allocations. Mr. Speaker, Honourable Members, this scenario is worth celebrating, while taking hindsight of our past budgets. This situation of having a skewed budget in favour of**

**capital expenditure as against recurrent expenditure is what as a State, we have last witnessed about a decade ago. This shows that we are indeed desirous of accelerated growth and development.**

**38. This primarily indicates the State's desire to adopt the model of approaching development from an investment perspective than a consumption perspective, while also providing adequately for those consumption activities that will complement public investment activities.**

It is our hope that we avail our citizens with modern farm inputs and seedlings towards enhancing job creation and poverty alleviation. Additionally, as earlier stated, we intend to provide roads, rural electricity, affordable water, sanitation equipment and other critical infrastructure that will support our development intent, most especially in ensuring that food produced in our rural economy find inroads to urban areas at affordable farm gate prices. This indeed will provide succor to the challenging economic environment witnessed by our people, as the capacity for food security and self-sufficiency will be enhanced.**

**42. In continuing with the process of capital development, given the outstanding numbers, Mr. Speaker, Honourable Members, the judicious utilization of ecological funds to construct drainages and waterways in Makurdi and selected locations becomes the hallmark of this budget, while also exploring and regulating all mining and industrial activities in the State.**

**43. Closely related Mr. Speaker, Honourable Members, is the intent of this budget to promote the establishment of companies for the processing of agricultural products, while utilizing BOT or and PPP models from the provision of N4.1billion or 1.84% of the total budget. This has the capacity to empower our women and youths via job creation, as well as encourage women to form and operate cooperative societies to further ease access to business capital. On the other hand, this budget will extend increase funding on facilities for sports development and local talent hunt in the State. To this end, it is my desire that our darling team Lobi Stars should return to base, on their home turf, for their home games, more so that they are doing us proud on the National Football League. Kudos to them! Knowing that I am their Number One Fan, I will ensure that most of their problems will dissipate into thin air.**

**45. Human Capital Development, which encompasses Education and Health is critical in our development agenda. These sectors have an encompassing votes allocation of 15% each of the total budget allocation. This is in tandem with the Abuja 2001 Declaration on health and the World Education Forum 2002 declaration on education. In meeting this benchmark, the State is desirous to renovate and equip selected primary and secondary schools with infrastructure, while also ensuring that there is improved funding for all State-owned tertiary education institutions in the State for effective service delivery.**

**46. On Health, Mr. Speaker. Honourable Members, we intend to strengthen the bond scheme on sponsorship of Benue Indigenes for further studies in the health sector, so as to prevent brain drain. we intend to provide ultra-modern laboratory with quality equipment, facilities and technology, of tertiary status in one General Hospital in Zone A, while also strengthening other health institutions towards delivering efficient health services right at our doorsteps.**

God willing, this will come to pass, as I intend to pave way for peaceful coexistence between communities and individuals for the development of the State. Additionally, our traditional institutions will be supported in the task of maintaining intra and inter-State peace and security in their domains. **51. In as much as we cannot wholesomely control the risks that might confront the delivery of set goals enunciated in the**

**2024 budget, we can however provide buffers to absorb unforeseen and uncontrollable shocks to the system.**

**52. Mr. Speaker, Hon Members, high level talks are with consultants towards hedging revenue leakages associated with mining activities in the State.
