1 Summary of Performance

1.A Introduction

This Budget Performance Report for Nasarawa State is prepared quarterly and issued within 4 weeks from the end of each quarter.

This report includes the original approved budget appropriation for the year 2023 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q₁, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

This Q₁ report is assessed against the 2023 Original budget.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Budget Department, Ministry of Finance, Budget and Planning, Nasarawa State and published on the Nasarawa State official website.

1.B Revenue Performance

The State realised a total of N 20,754,977,321.53 as against N21,687,334,543.61 for same period in FY 2022. The revenue is made up of N16,829,778,195.88 Share of FAAC, N3,845,516,011.54 IGR and Capital Receipts of N79,683,114.11. The total inflow represents a percentage performance of 13.9% of the total expected revenue of N149,315,944,207.62 for FY 2023

1.C Recurrent Expenditure Performance

The State Government spent a total of N12,849,441,092.91 consisting of N6,950,698,776.63 Personnel Cost including Pension, Gratuity and Death Benefits while the other component of the recurrent expenditure gulped a total of N5,898,742,316.28 as running cost. The total recurrent expenditure is below the N14,345,615,995.26 of FY 2022. This basically has to do with putting on hold a lot of would-be expenditure due to the electioneering campaign and other political factors. Key challenge is the issue of MDAs who could not submit their monthly and quarterly performance report on time. These MDAs include; State House of Assembly, Office of the Head of Civil Service, Rural Water Supply Agency, Sharia Court of Appeal, Ministry of Youth & Sports Development, State University, State Polytechnic etc. Measures already outlined to sanction most of the MDAs.

1.D Capital Expenditure Performance

Based on available submission from MDAs, the State spent N1,602,357,775.58 only as against N3,793,612,354.13 for capital expenditure for same period of the preceding year. Capex represents 2.8% of the total expenditure for the period.

1.E Conclusions

Nasarawa State got a total revenue of N23,070,979,880.53 including opening balance and out of this N14,451,798,868.49 was spent for both recurrent and capital expenditures. The Q1 budget expenditure

experienced a very slowed spending pattern due to the elections and other political challenges. Key ongoing capital projects include the carried over dualization of Shendam Road and other roads across the State, support to the Education, Health and Agric sectors among others. Recurrent expenditure items include; payment of salaries, pension and gratuities, security support, and other general administration in the State.
