1 Summary of Performance

1.A Introduction

This Budget Performance Report for Nasarawa State is prepared quarterly and issued within 4 weeks from the end of each quarter.

This report includes the approved original budget appropriation for the year 2022 (no supplementary or revised budget has been passed to date) against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q2, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2208

This Budget Performance Report is produced by the Department of Budget, Ministry of Finance, Budget and Planning, Nasarawa State, and published on the Official State website www.nasarawastate.gov.ng/sftas .

1.B Revenue Performance

Nasarawa State realised a recurrent revenue of N18,154,990,713.59 for the period under review. This is N2.3b over and above the performance for same period of the previous FY of N15,851,454,665.17 representing 24% of the total recurrent revenue projection for the year. Recurrent revenue consists of share of FAAC N14,406,844,533.74 higher than N12,053,659,755.41 for Q2 FY2021 and Independent Revenue (Internally Generated Revenue) of N3,797,794,909.76. On the other hand, the sum of N 1,587,311,281.49 was gotten as capital receipts in Q2, this represents 4.6% of the total expected inflow from capital receipts.

The overall revenue (including opening balance) for the second quarter stood at N19,742,301,995.08 out of the expected sum of N27,712,488,719.87 for Q2. This represents 71.23% performance within the reviewing period.

This period witnessed overcollections in some revenue items. Notably among the revenues which exceeded projection within the second quarter include: Other FAAC Revenues (104.7%), probate fee from High Court of Justice (161%) as a result of influx of application for probate, Private School Registration (139.3%) as a result of improved monitoring and evaluation of private schools by the Ministry of Education after many years, Other revenues from different MDAs (232.7%) due to under estimation, VIO Charges (171.5%) due to increase of personnel and vehicles for more patrol, sales of Condemn Store (3,200%) as a result of under estimation.

Capital receipts for the period was very poor, this is because most aid and grants were not handy and the State Government is yet to get what its planned for borrowings as at the second quarter.

1.C Recurrent Expenditure Performance

The total recurrent expenditure for Q2 2022 stood at N15,610,318,346.87. This comprises personnel cost (N9,999,131,043.74), overhead cost, and other expenditure for debt servicing (N5,611,187,303.13). The State spent the amount for payment of salaries and other emoluments as well as running cost for day-to-day government affairs.

There were incidences of personnel and overhead costs exceeding their budgetary allocation. Nasarawa State Investment & Development Agency overspent its personnel cost for the period (113.3%). Other incidences

of overspending across MDAs and budget line items include but not limited to Production of Reports to Public Accounts Committee, Surveying Services, Boundary Demarcation, Adoption & Implementation Of IPSAS, Foreign Interest / Discount - Treasury Bill/Long Term Borrowing, Foreign Principle - Treasury Bill/Long-Term Borrowing among others. The State is working on reallocation and virement to be taking to the House of Assembly for ratification.

1.D Capital Expenditure Performance

Within the period under review, the sum of N 2,841,900,379.49 was spent on capital projects. This is less than the N4,043,704,688.22 spent in Q2 2021. Infrastructure such as roads, buildings and equipment are what the money was spent on.

1.E Conclusions

State Government expenditure fall short of expectation. This basically was as a result of gap in the revenue projection. However, with programmes and projects such as the WB State Fiscal Transparency, Accountability and Sustainability (SFTAS), Nigeria COVID-19 Action Recovery and Economic Stimulus (NG-CARES) among others, subsequent performance may be more than the current performance.

2 Budget Reports
