# 1 Summary of Performance

## 1.A Introduction

The Nasarawa State Budget Performance Report (BPR) is prepared quarterly and issued within 4 weeks from the end of each quarter. This is the fourth quarter for FY2024.

This report includes the final approved budget appropriation for the year 2024 against each organizational unit for each of the core economic classifications of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q4, attributed to each organizational unit, as well as the cumulative expenditures for the year to date, and balances against each of the revenue and expenditure appropriations.

This Q4 report is assessed against the 2024 Final budget, which includes the Original and the Supplementary Budget.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is prepared and produced by the Department of Budget, Ministry of Finance, Budget and Planning, Nasarawa State and published on the Nasarawa State official Government website - <https://www.nasarawastate.gov.ng>.

## 1.B Revenue Performance

The fourth quarter performance shows a recurrent revenue of **N73,101,925,828.31** (consisting of **N63,287,588,196.92** of FAAC and IGR of **N9,814,337,631.39**) making a total recurrent revenue of **N181,059,174,256.09 for Year-to-Date (YTD)**, representing **80.0%**. Other inflows within the period under review include **N30,888,257,998.96** capital receipt (from Aid, Grants and Deficit Financing), making a total of **N83,508,311,410.91 YTD**, representing **77.6%**. The overall revenue translates to **N264,567,485,667.00** excluding the opening balance, representing **79.6%**. This is a tremendous achievement in comparison to over 28 years of the state's existence. The State witnessed huge collections in various revenue items, notably among these are VAT, exchange gain, distribution of solid mineral revenue, EMTL, vehicle inspection service charges, parking charge, RoO processing fee, withholding tax and some capital receipts from the foreign grant such as NG-CARES, ACRoSAL among others. The 2024 Supplementary (Expanded) Budget solved the challenge of over collections during the first to third quarters of the year.

## 1.C Recurrent Expenditure Performance

Nasarawa State Government also spent the sum of **N30,814,658,693.87** for recurrent expenditure in the fourth quarter translating to a total spending of **N109,278,940,071.46 (72.7%) YTD**. The recurrent expenditure consists of Personnel Costs including Pension, Gratuity and Death Benefits of **N48,704,287,383.19 (77.4%)**, while the other component of the recurrent expenditure gulped a total of **N60,574,652,688.27 (69.4%)** for the day-to-day running of government transactions, including security vote, capacity building, collaboration with Development Partners among many others. A few line items in some MDAs exceeded the budgetary allocation, example is the Construction of Doma Roundabout-Federal Government Technical School Road. During the period under review, the State Government implemented the backlog of promotion and payment of arrears of pension and gratuity, security vote, increased in the rate and number of beneficiaries of cash transfers etc.

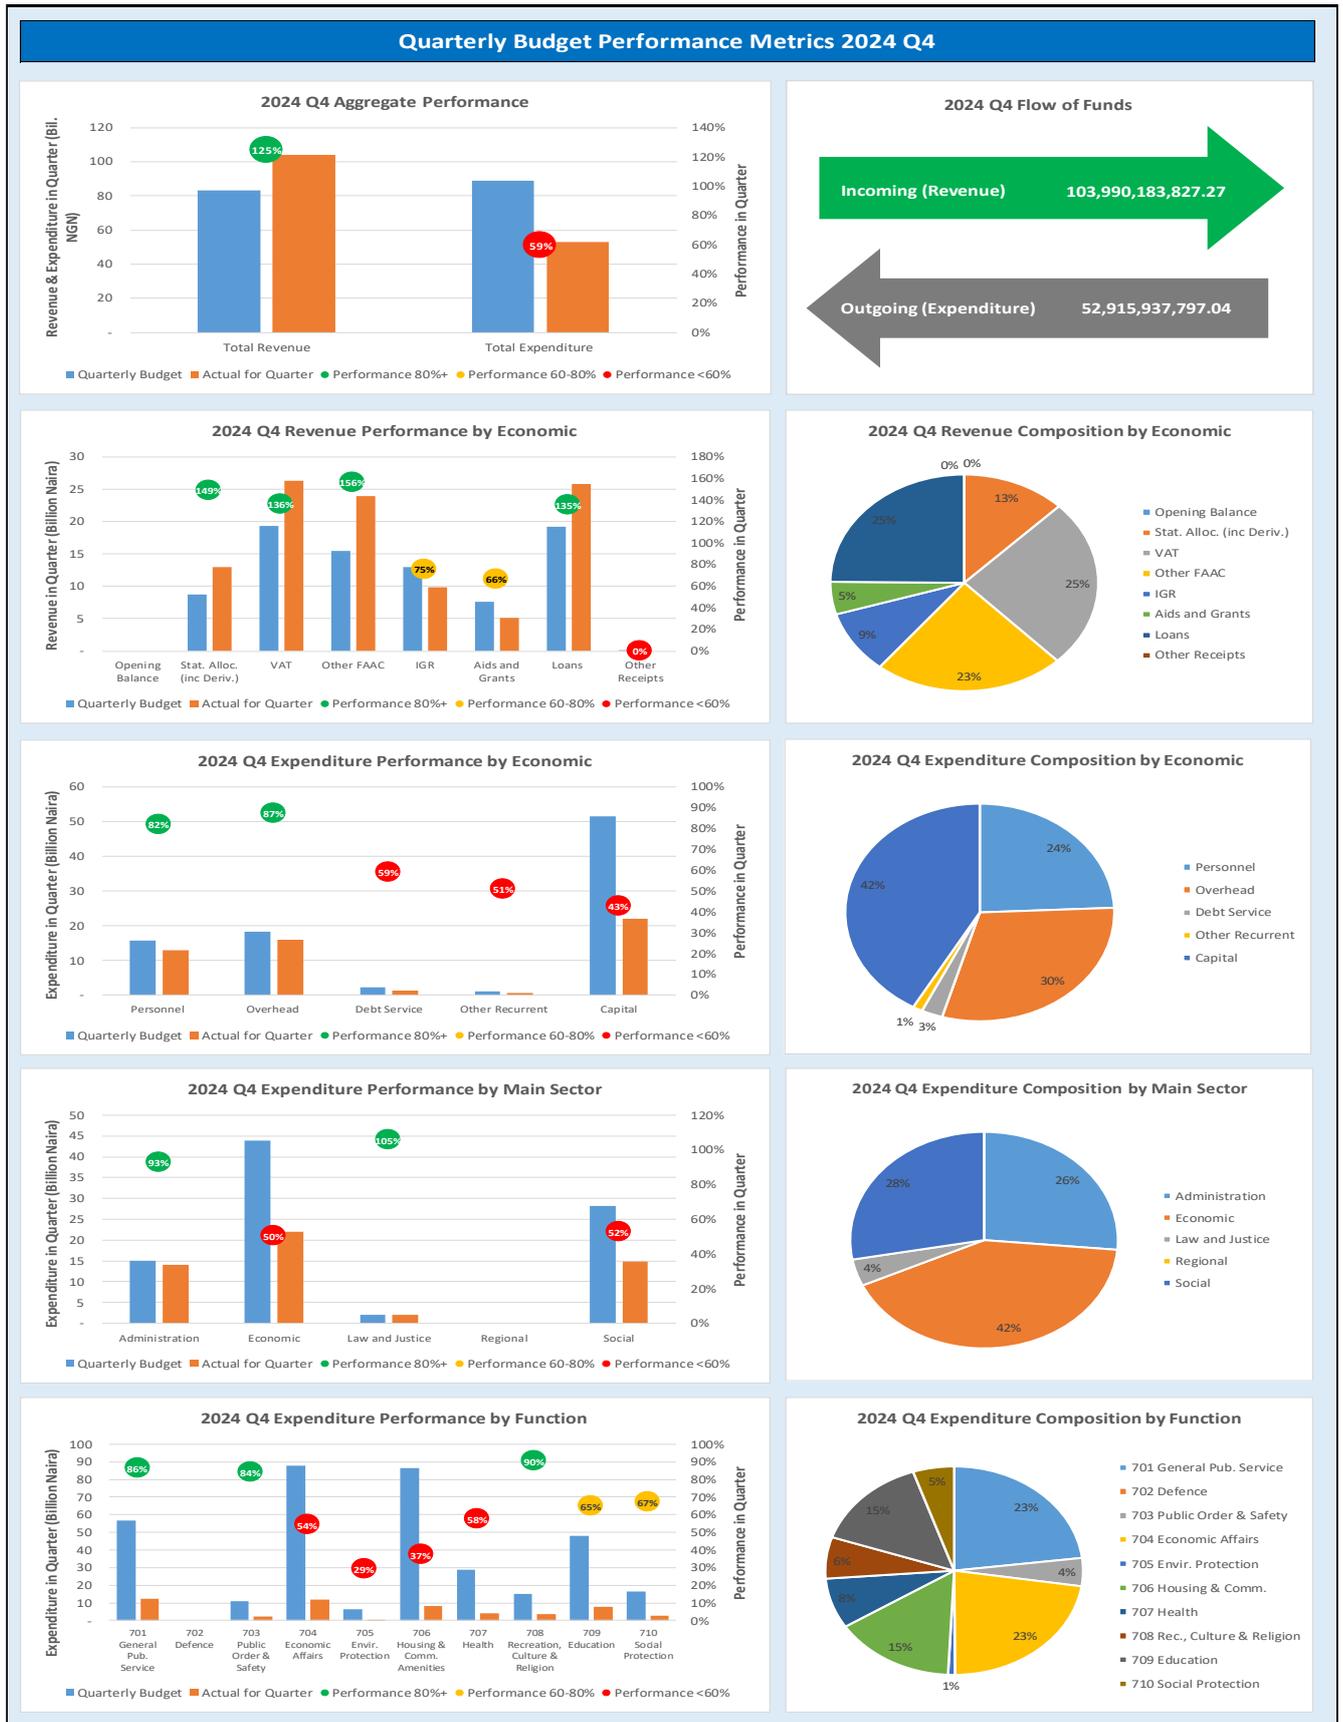

## 1.D Capital Expenditure Performance

In addition to the expenditure above, the State also spent the sum of **N22,101,279,103.17**, making an aggregate of **N76,678,276,930.23** on capital projects for purchases, constructions, rehabilitation and repairs, this represents **37.2%** of the total budgeted capital expenditure for the year. The performance for Capital Expenditure is generally low and the reason for the low level of expenditure is the timing for the inflow, most of the funds came in the 4th quarter and there was no sufficient time for MDAs to carry out a series of capital activities, but Key capital projects are ongoing and carried over to the succeeding Financial Year. Such projects include major road construction across the State, continuation of secretariat construction, rural and urban infrastructure, school buildings, and renovation of public buildings among others.

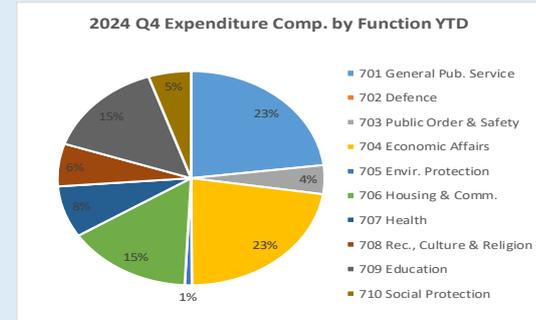

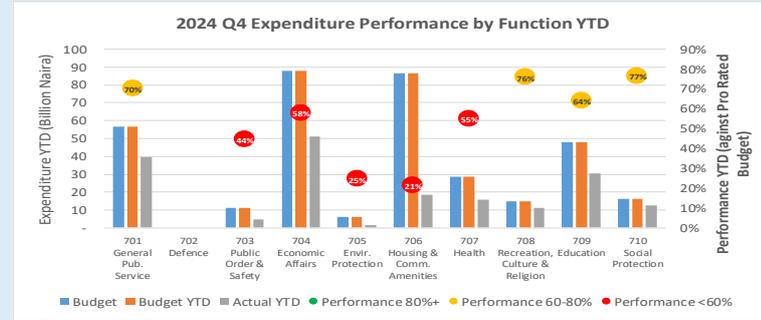

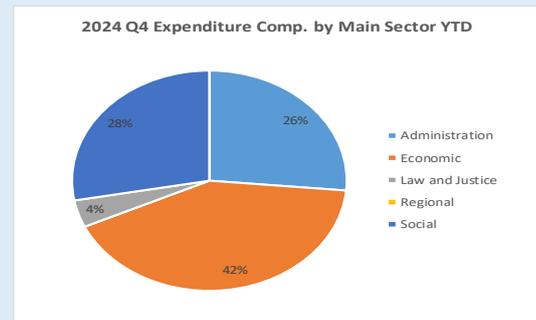

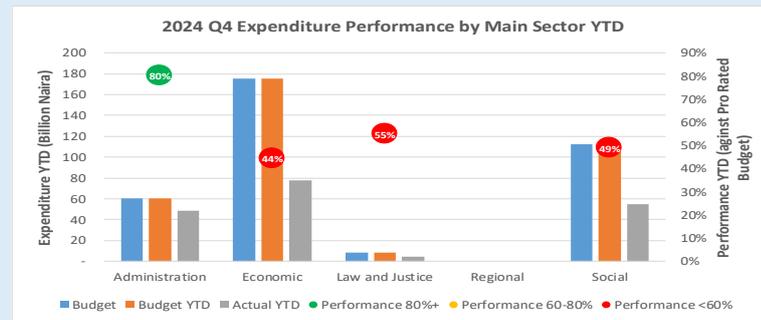

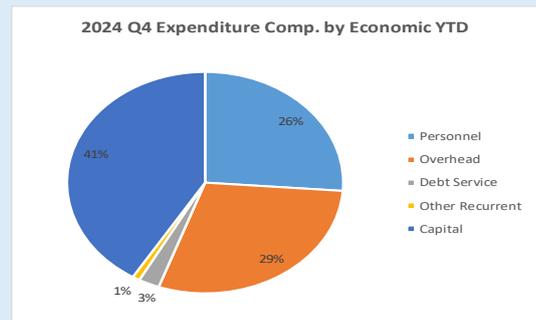

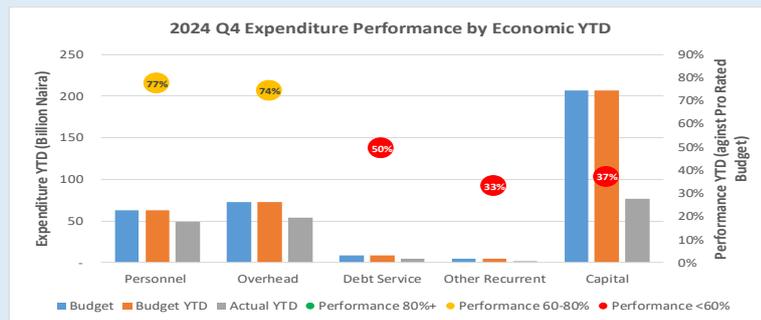

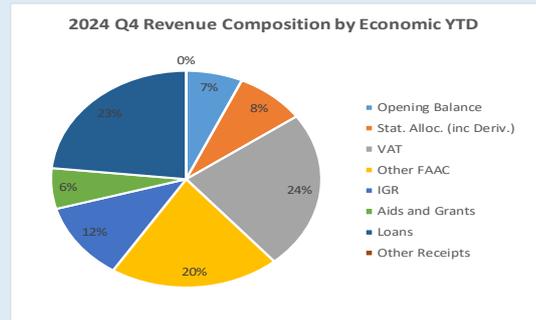

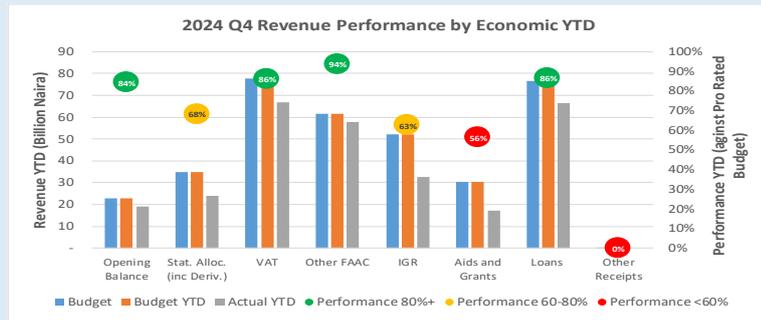

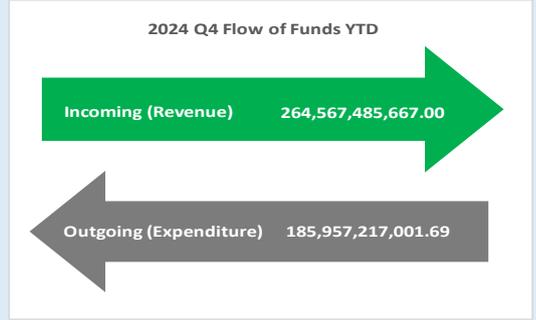

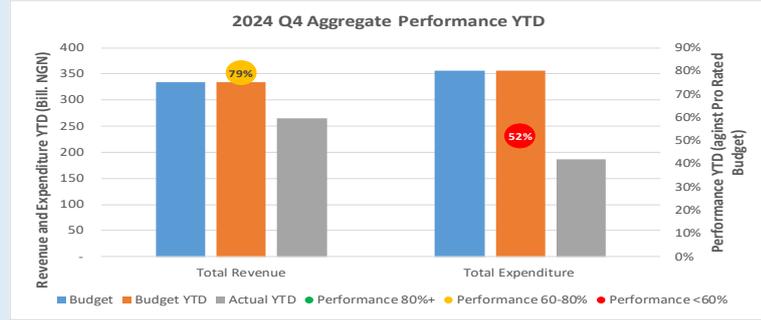

## 1.E Conclusions

Nasarawa State experienced major improvement in the Share of FAAC, IGR generation and capital receipts compared to previous Fiscal Years. This is a booster to the State as massive capital projects are ongoing across all sectors of the economy. The key challenge in Q4 is the lack of sufficient time for MDAs to carry out most of the capital projects earmarked for the year as resources flowed towards the end of the year.
