1 Summary of Performance

1.A Introduction

This Budget Performance Report for Nasarawa State is prepared quarterly and issued within 4 weeks from the end of each quarter.

This report includes the original approved budget appropriation for the year 2023 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter 2, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

This Q₂ report is assessed against the 2023 Original budget.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Budget Department, Ministry of Finance, Budget and Planning, Nasarawa State and published on the Nasarawa State official website – www.nasarawastate.gov.ng

1.B Revenue Performance

Nasarawa State Government realised a total of N18,912,370,004.90 in the three months period representing 78.81%, and a total of N39,587,664,212.32 for the Half Year budget representing 82.48% performance, this also represents 41.2% of the revenue when compared against the original total revenue budget for the year. The revenue is made up of Share of FAAC of N31,275,208,751.45, Internally Generated Revenue (Independent Revenue) of N8,312,455,460.87 and Capital Receipts of N9,986,297,934.16. The total inflow of N51,889,964,705.48 represents a percentage performance of 69.50% for the period under review and 34.8% of the total expected revenue of N149,315,944,207.62 for FY 2023.

It is to be noted that the new revenue law allows the Board of Internal Revenue to collect all IGR in a central account through the Central Billing System. This explains the reason for low revenue collection by most MDAs.

1.C Recurrent Expenditure Performance

The April to July period witnessed a total spending of N18,470,742,631.60 i.e. 80.90% for recurrent expenditure. This is made up of N11,331,915,842.76 (94.58%) Personnel Cost including Pension, Gratuity and Death Benefits and the other component of the recurrent expenditure gulped a total of N7,138,826,788.84 (65.80%) as running cost. The aggregate recurrent expenditure for the Half Year analysis stood at N31,320,183,724.51 (68.59%) with N18,282,614,619.39 (76.29%) and N13,037,569,105.12 (60.08%) for personnel and running costs in that order.

Key challenges encountered in terms of recurrent expenditure is the lack of spending by some MDAs. The State Government placed some of the activities of such MDAs like FADAMA, SCCU, CSDA on suspension from November 2022 and lifted the suspension this month-July. Now, activities are ongoing for Q3. Other MDAs such as NEPAD had pooled staff from other places manning the office and they don't get monthly overhead cost or subvention from the State. In addition, the State House of Assembly could not submit their Budget Performance from January to date and there is political crisis going on in the Assembly.

1.D Capital Expenditure Performance

Based on available submission from MDAs, the State spent N4,568,665,061.92 only as capital expenditure for the period of April to June, representing 31.51% and a total capex of N6,171,022,837.50 for the half year expenditure, representing 21.28%. Total Capex represents 10.64% against the 2023 original budget for the year.

Capital Expenditure is still very low for this period, and this is attributed to the election year where attention was given to other spending. The State is struggling financially to carry out important capital spendings and is about to settle down after litigation and court cases are over to focus on construction, rehabilitation, repairs of roads, building etc as well as purchase of equipment for key sectors.

1.E Conclusions

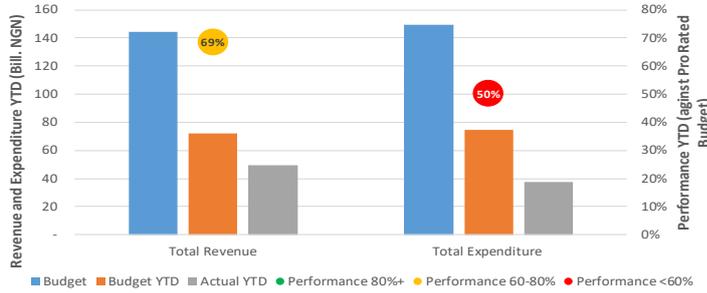

Nasarawa State got a total revenue of N51,889,964,705.48 including opening balance and out of this, the sum of N37,491,206,562.01 was spent for both recurrent and capital expenditures. Again, the Q₂ budget expenditure experienced a very slowed spending pattern due to carry over activities of elections, post elections litigations at the tribunal and other political challenges. Key ongoing capital projects include the carried over dualization of Shendam Road and other roads across the State, support to the Education, Health and Agric sectors among others.
