The Independent Revenue (IGR) as at 31st December 31st December, 2021 is N4.525 billion, 18.10% making up a total of N14.445 billion which is below the estimated IGR target of N25.000 billion Naira.

1.C Recurrent Expenditure Performance

The Recurrent Expenditure (including Personnel Cost and Overheads) as at 31st December, 2021 is N53.841 billion, making up a total of N164.102 billion between January to December, 2021.

Account Class 2208 represents foreign and domestic debt payments which were not properly captured in the report initially but was later added in order to capture debt repayments from Q2

The reasons for MDAs overspending was as a result of movement of workers from one MDA to another including transfer of service from Local Government areas to the main stream of the civil service, as well as the implementation of promotions and annual increments which occurred in the personnel expenditures. Also, the increase in the number of political appointee of government/severance allowances contributed greatly to the overspending above the budgetary provisions especially General Services Bureau but all still fall below the estimated figure of N72.159 billion for the year 2021.

Finally, the area of overspending that occurred under Government House overhead expenditures was as a result of oversight, wrong placement and allocation of figures under Welfare Packages in the Q2 which was later discovered after the publication of the Q2 report.

1.D Capital Expenditure Performance

The Capital Expenditure as 31st December, 2021 is N30.270 billion, making a total of N89.094 billion between January to December, 2021.

1.E Conclusions

As a result of the increased share of FAAC to the Bayelsa State Government in which is actually above the estimated target, despite the shortfall in IGR which

is below the estimated budgeted figure, the State Government has been consistent and placed the payment of monthly salaries to workers, including pensions and gratuities as one of its topmost priority. Also, the Government has really achieved a remarkable landmark in provision and completion of critical infrastructures like roads, bridges, schools, hospitals etc. Furthermore, the State Government is consistently funding all on-going/new projects in the State like the Yenagoa-Oporoma road, Sagbama-Ekeremor road, Yenagoa Glory Drive, Igbogene-AIT Outer Ring Road, including the speedy construction of the State Media House Project, Trailer park etc which are near completion in order to deliver the dividends of democracy to its citizens.
